Important Notice

Your health plan provides that you will not be held financially liable for payments to health care providers for any sums, other than required copayments, coinsurance or deductibles,

owed for covered expenses, if Cigna fails to pay for the covered expenses for any reason.

Subsequent changes in your coverage shall be evidenced in a separate benefit rider issued to you or your dependent(s).

If you or your dependent(s) are in need of emergency care, whether or not you use a participating provider in the network, your covered expenses will be reimbursed to you as if you or your dependent(s) had been treated by a preferred provider.

How To File Your Claim

There's no paperwork for In-Network care. Just show your identification card and pay your share of the cost, if any; your provider will submit a claim to Cigna for reimbursement. Out-of-Network claims can be submitted by the provider if the provider is able and willing to file on your behalf. If the provider is not submitting on your behalf, you must send your completed claim form and itemized bills to the claims address listed on the claim form.

You may get the required claim forms from the website listed on your identification card or by calling Member Services using the toll-free number on your identification card.

CLAIM REMINDERS

- BE SURE TO USE YOUR MEMBER ID AND ACCOUNT/GROUP NUMBER WHEN YOU FILE CIGNA'S CLAIM FORMS, OR WHEN YOU CALL YOUR CIGNA CLAIM OFFICE.
YOUR MEMBER ID IS THE ID SHOWN ON YOUR BENEFIT IDENTIFICATION CARD.
YOUR ACCOUNT/GROUP NUMBER IS SHOWN ON YOUR BENEFIT IDENTIFICATION CARD.
- BE SURE TO FOLLOW THE INSTRUCTIONS LISTED ON THE BACK OF THE CLAIM FORM CAREFULLY WHEN SUBMITTING A CLAIM TO CIGNA.

Timely Filing

Cigna will consider claims for coverage under our plans when proof of loss (a claim) is submitted within one year (365 days) after services are rendered. If services are rendered on consecutive days, such as for a hospital confinement, the limit will be counted from the last date of service. If claims are not submitted within one year, the claim will not be considered valid and will be denied.

WARNING: Any person who knowingly files a statement of claim containing any false or misleading information is subject to criminal and civil penalties.

Eligibility - Effective Date

Employee Insurance

This plan is offered to you as an Employee.

Eligibility for Employee Insurance

You will become eligible for insurance on the day you complete the waiting period if:

- you are in a Class of Eligible Employees; and
- you are an eligible, full-time Employee; and
- you normally work at least 30 hours a week; and
- you pay any required contribution.

If you were previously insured and your insurance ceased, you must satisfy the Waiting Period to become insured again. If your insurance ceased because you were no longer employed in a Class of Eligible Employees, you are not required to satisfy any waiting period if you again become a member of a Class of Eligible Employees within one year after your insurance ceased.

Eligibility for Dependent Insurance

You will become eligible for Dependent insurance on the later of:

- the day you become eligible for yourself; or
- the day you acquire your first Dependent.

Waiting Period

First of the month following 30 days from the date of Active Service.

Classes of Eligible Employees

Each Employee as reported to the insurance company by your Employer.

Effective Date of Employee Insurance

You will become insured on the date you elect the insurance by signing an approved payroll deduction or enrollment form, as applicable, but no earlier than the date you become eligible.

You will become insured on your first day of eligibility, following your election, if you are in Active Service on that date, or if you are not in Active Service on that date due to your health status.

Late Entrant - Employee

You are a Late Entrant if:

- you elect the insurance more than 30 days after you become eligible; or
- you again elect it after you cancel your payroll deduction (if required).

Dependent Insurance

For your Dependents to be insured, you will have to pay the required contribution, if any, toward the cost of Dependent Insurance.

Effective Date of Dependent Insurance

Insurance for your Dependents will become effective on the date you elect it by signing an approved payroll deduction form (if required), but no earlier than the day you become eligible for Dependent Insurance. All of your Dependents as defined will be included.

Your Dependents will be insured only if you are insured.

Late Entrant – Dependent

You are a Late Entrant for Dependent Insurance if:

- you elect that insurance more than 30 days after you become eligible for it; or
- you again elect it after you cancel your payroll deduction (if required).

Exception for Newborns

Any Dependent child born while you are insured will become insured on the date of his birth if you elect Dependent Insurance no later than 31 days after his birth. If you do not elect to insure your newborn child within such 31 days, coverage for that child will end on the 31st day. No benefits for expenses incurred beyond the 31st day will be payable.

Cigna Dental Preferred Provider Insurance

The Schedule

For You and Your Dependents

The Dental Benefits Plan offered by your Employer includes Participating and non-Participating Providers. If you select a Participating Provider, your cost will be less than if you select a non-Participating Provider.

Emergency Services

The Benefit Percentage payable for Emergency Services charges made by a non-Participating Provider is the same Benefit Percentage as for Participating Provider Charges. Dental Emergency Services are required immediately to either alleviate pain or to treat the sudden onset of an acute dental condition. These are usually minor procedures performed in response to serious symptoms, which temporarily relieve significant pain, but do not effect a definitive cure, and which, if not rendered, will likely result in a more serious dental or medical complication.

Deductibles

Deductibles are expenses to be paid by you or your Dependent. Deductibles are in addition to any Coinsurance. Once the Deductible maximum in The Schedule has been reached you and your family need not satisfy any further dental deductible for the rest of that year.

Participating Provider Payment

Participating Provider services are paid based on the Contracted Fee that is agreed to by the provider and Cigna. Based on the provider's Contracted Fee, a higher level of plan payment may be made to a Participating Provider resulting in a lower payment responsibility for you. To determine how your Participating Provider compares refer to your provider directory.

Provider information may change annually; refer to your provider directory prior to receiving a service. You have access to a list of all providers who participate in the network by visiting www.mycigna.com.

Non-Participating Provider Payment

Non-Participating Provider services are paid based on the Maximum Reimbursable Charge. For this plan, the Maximum Reimbursable Charge is calculated at the 90th percentile of all provider charges in the geographic area.

Simultaneous Accumulation of Amounts

Benefits paid for Participating and non-Participating Provider services will be applied toward both the Participating and non-Participating Provider maximum shown in the Schedule.

Expenses incurred for either Participating or non-Participating Provider charges will be used to satisfy both the Participating and non-Participating Provider Deductibles shown in the Schedule.

BENEFIT HIGHLIGHTS	PARTICIPATING PROVIDER	NON-PARTICIPATING PROVIDER
Classes I, II, III, IV Combined Calendar Year Maximum	\$1,500	
Class IV Lifetime Maximum	\$1,500	\$1,500

BENEFIT HIGHLIGHTS	PARTICIPATING PROVIDER	NON-PARTICIPATING PROVIDER
Calendar Year Deductible Individual Family Maximum	\$50 per person Not Applicable to Class I \$150 per family Not Applicable to Class I	
Class I Preventive Care	100%	100%
Class II Basic Restorative	80% after plan deductible	80% after plan deductible
Class III Major Restorative	50% after plan deductible	50% after plan deductible
Class IV Orthodontia	50%	50%

Missing Teeth Limitation

The amount payable for the replacement of teeth that are missing when a person first becomes insured is 50% of the amount payable for the replacement of teeth that are extracted after a person has dental coverage.

This payment limitation no longer applies after 12 months of continuous coverage.

HC-MTL7

04-10
V1

Covered Dental Expense

Covered Dental Expense means that portion of a Dentist's charge that is payable for a service delivered to a covered person provided:

- the service is ordered or prescribed by a Dentist;
- is essential for the Necessary care of teeth;
- the service is within the scope of coverage limitations;
- the deductible amount in The Schedule has been met;
- the maximum benefit in The Schedule has not been exceeded;
- the charge does not exceed the amount allowed under the Alternate Benefit Provision;
- for Class I, II or III the service is started and completed while coverage is in effect, except for services described in the "Benefits Extension" section.

Alternate Benefit Provision

If more than one covered service will treat a dental condition, payment is limited to the least costly service provided it is a professionally accepted, necessary and appropriate treatment.

If the covered person requests or accepts a more costly covered service, he or she is responsible for expenses that exceed the amount covered for the least costly service. Therefore, Cigna recommends Predetermination of Benefits before major treatment begins.

Predetermination of Benefits

Predetermination of Benefits is a voluntary review of a Dentist's proposed treatment plan and expected charges. It is not preauthorization of service and is not required.

The treatment plan should include supporting pre-operative x-rays and other diagnostic materials as requested by Cigna's dental consultant. If there is a change in the treatment plan, a revised plan should be submitted.

Cigna will determine covered dental expenses for the proposed treatment plan. If there is no Predetermination of

Benefits, Cigna will determine covered dental expenses when it receives a claim.

Review of proposed treatment is advised whenever extensive dental work is recommended when charges exceed \$200.

Predetermination of Benefits is not a guarantee of a set payment. Payment is based on the services that are actually delivered and the coverage in force at the time services are completed.

Covered Services

The following section lists covered dental services. Cigna may agree to cover expenses for a service not listed. To be considered the service should be identified using the American Dental Association Uniform Code of Dental Procedures and Nomenclature, or by description and then submitted to Cigna.

Dental PPO – Participating and Non-Participating Providers

Participating Providers

Plan payment for a covered service delivered by a Participating Provider is the Contracted Fee for that procedure, times the benefit percentage that applies to the class of service, as specified in The Schedule.

The covered person is responsible for the balance of the Participating Provider's Contracted Fee minus what the plan pays.

Non-Participating Providers

Plan payment for a covered service delivered by a non-Participating Provider is the Maximum Reimbursable Charge for that procedure, times the benefit percentage that applies to the class of service, as specified in The Schedule.

The covered person is responsible for the non-Participating Provider's actual charge minus what the plan pays.

- any replacement of a bridge, crown or denture which is or can be made useable according to common dental standards;

Personal Injury Protection (PIP) or Out-of-State Automobile Insurance Coverage (OSAIC)

When expenses are incurred as the result of an Automobile Related Injury, and the injured person has coverage under Personal Injury Protection (PIP) or Out-of-State Automobile Insurance Coverage (OSAIC), this section will be used to determine whether this certificate provides coverage that is primary to such coverage or secondary to such coverage. It will also be used to determine the amount payable if this certificate provides primary or secondary coverage.

This certificate provides secondary coverage to PIP unless health coverage has been elected as primary coverage by or for the person covered under this policy. This election is made by the named insured under a PIP policy and affects that person's family members who are not themselves named insureds under another automobile certificate. This certificate may be primary for one covered person, but not for another if the persons have separate automobile insurance policies and have made different selections regarding primacy of health coverage.

This certificate is secondary to OSAIC. However, if the OSAIC contains provisions which make it secondary or excess to the policyholder's Plan, then the policyholder's Plan is primary.

Coordination of Benefits

PLEASE NOTE: If you are covered by more than one health benefit plan, you should file all your claims with

each plan and provide each plan with information regarding the other plans under which you are covered.

Purpose of This Provision

A covered person may be covered for health benefits or services by more than one Plan. For instance, he or she may be covered by this policy as an Employee and by another plan as a Dependent of his or her spouse. If he or she is covered by more than one Plan, this provision allows Cigna to coordinate what Cigna pays or provides with what another Plan pays or provides. This provision sets forth the rules for determining which is the primary plan and which is the secondary plan. Coordination of benefits is intended to avoid duplication of benefits while at the same time preserving certain rights to coverage under all Plans under which the covered person is covered.

Definitions

The words shown below have special meanings when used in this provision. Please read these definitions carefully.

Throughout this provision, these defined terms appear with their initial letter capitalized.

Allowable Expense: The charge for any health care service, supply or other item of expense for which the covered person is liable when the health care service, supply or other item of expense is covered at least in part under any of the Plans involved, except where a statute requires another definition, or as otherwise stated below.

When this policy is coordinating benefits with a Plan that provides benefits only for dental care, vision care, prescription drugs or hearing aids, Allowable Expense is limited to like items of expense.

Cigna will not consider the difference between the cost of a private hospital room and that of a semi-private hospital room as an Allowable Expense unless the stay in a private room is Medically Necessary and Appropriate.

When this policy is coordinating benefits with a Plan that restricts coordination of benefits to a specific coverage, Cigna will only consider corresponding services, supplies or items of expense to which coordination of benefits applies as an Allowable Expense.

Claim Determination Period: A Calendar Year, or any portion of a Calendar Year, during which a covered person is covered by this policy and at least one other Plan and incurs one or more Allowable Expense(s) under such plans.

Plan: Coverage with which coordination of benefits is allowed. Plan includes:

- Group insurance and group subscriber contracts, including insurance continued pursuant to a Federal or State continuation law;

- Self-funded arrangements of group or group-type coverage, including insurance continued pursuant to a Federal or State continuation law;
- Group or group-type coverage through a health maintenance organization (HMO) or other prepayment, group practice and individual practice plans, including insurance continued pursuant to a Federal or State continuation law;
- Group hospital indemnity benefit amounts that exceed \$150.00 per day;
- Medicare or other governmental benefits, except when, pursuant to law, the benefits must be treated as in excess of those of any private insurance plan or non-governmental plan.

Plan does not include:

- Individual or family insurance contracts or subscriber contracts;
- Individual or family coverage through a health maintenance organization or under any other prepayment, group practice and individual practice plans;
- Group or group-type coverage where the cost of coverage is paid solely by the covered person except that coverage being continued pursuant to a Federal or State continuation law shall be considered a Plan;
- Group hospital indemnity benefit amounts of \$150.00 per day or less;
- School accident-type coverage;
- A State plan under Medicaid.

Primary Plan: A Plan whose benefits for a covered person's health care coverage must be determined without taking into consideration the existence of any other Plan. There may be more than one Primary Plan. A Plan will be the Primary Plan if either item below exists:

- The Plan has no order of benefit determination rules, or it has rules that differ from those contained in this Coordination of Benefits and Services provision; or
- All Plans which cover the covered person use order of benefit determination rules consistent with those contained in the Coordination of Benefits and Services provision and under those rules, the plan determines its benefits first.

Reasonable and Customary: An amount that is not more than the usual or customary charge for the service or supply as determined by Cigna, based on a standard which is most often charged for a given service by a Provider within the same geographic area.

Secondary Plan: A Plan which is not a Primary Plan. If a covered person is covered by more than one Secondary Plan, the order of benefit determination rules of this Coordination of Benefits and Services provision shall be used to determine the order in which the benefits payable under the multiple

Secondary Plans are paid in relation to each other. The benefits of each Secondary Plan may take into consideration the benefits of the Primary Plan or Plans and the benefits of any other Plan which, under this Coordination of Benefits and Services provision, has its benefits determined before those of that Secondary Plan.

Primary and Secondary Plan

Cigna considers each plan separately when coordinating payments.

The Primary Plan pays or provides services or supplies first, without taking into consideration the existence of a Secondary Plan. If a Plan has no coordination of benefits provision, or if the order of benefit determination rules differ from those set forth in these provisions, it is the Primary Plan.

A Secondary Plan takes into consideration the benefits provided by a Primary Plan when, according to the rules set forth below, the plan is the Secondary Plan. If there is more than one Secondary Plan, the order of benefit determination rules determine the order among the Secondary Plans. During each claim determination period the Secondary Plan(s) will pay up to the remaining unpaid allowable expenses, but no Secondary Plan will pay more than it would have paid if it had been the Primary Plan. The method the Secondary Plan uses to determine the amount to pay is set forth below in the "Procedures to be Followed by the Secondary Plan to Calculate Benefits" section of this provision.

The Secondary Plan shall not reduce Allowable Expenses for medically necessary and appropriate services or supplies on the basis that precertification, preapproval, notification or second surgical opinion procedures were not followed.

Rules for the Order of Benefit Determination

The benefits of the Plan that covers the covered person as an employee, member, subscriber or retiree shall be determined before those of the Plan that covers the covered person as a Dependent. The coverage as an employee, member, subscriber or retiree is the Primary Plan.

The benefits of the Plan that covers the covered person as an employee who is neither laid off nor retired, or as a dependent of such person, shall be determined before those for the Plan that covers the covered person as a laid off or retired employee, or as such a person's Dependent. If the other Plan does not contain this rule, and as a result the Plans do not agree on the order of benefit determination, this portion of this provision shall be ignored.

The benefits of the Plan that covers the covered person as an employee, member, subscriber or retiree, or Dependent of such person, shall be determined before those of the Plan that covers the covered person under a right of continuation pursuant to Federal or State law. If the other Plan does not contain this rule, and as a result the Plans do not agree on the

order of benefit determination, this portion of this provision shall be ignored.

If a child is covered as a Dependent under Plans through both parents, and the parents are neither separated nor divorced, the following rules apply:

- The benefits of the Plan of the parent whose birthday falls earlier in the Calendar Year shall be determined before those of the parent whose birthday falls later in the Calendar Year.
- If both parents have the same birthday, the benefits of the Plan which covered the parent for a longer period of time shall be determined before those of the plan which covered the other parent for a shorter period of time.
- "Birthday," as used above, refers only to month and day in a Calendar Year, not the year in which the parent was born.
- If the other plan contains a provision that determines the order of benefits based on the gender of the parent, the birthday rule in this provision shall be ignored.

If a child is covered as a Dependent under Plans through both parents, and the parents are separated or divorced, the following rules apply:

- The benefits of the Plan of the parent with custody of the child shall be determined first.
- The benefits of the Plan of the spouse of the parent with custody shall be determined second.
- The benefits of the Plan of the parent without custody shall be determined last.
- If the terms of a court decree state that one of the parents is responsible for the health care expenses for the child, and if the entity providing coverage under that Plan has actual knowledge of the terms of the court decree, then the benefits of that plan shall be determined first. The benefits of the plan of the other parent shall be considered as secondary. Until the entity providing coverage under the plan has knowledge of the terms of the court decree regarding health care expenses, this portion of this provision shall be ignored.

If the above order of benefits does not establish which plan is the Primary Plan, the benefits of the Plan that covers the employee, member or subscriber for a longer period of time shall be determined before the benefits of the Plan(s) that covered the person for a shorter period of time.

Procedures to be Followed by the Secondary Plan to Calculate Benefits

In order to determine which procedure to follow it is necessary to consider:

- The basis on which the Primary Plan and the Secondary Plan pay benefits; and

- Whether the provider who provides or arranges the services and supplies is in the network of either the Primary Plan or the Secondary Plan.

Benefits may be based on the Reasonable and Customary Charge (R & C), or some similar term. This means that the provider bills a charge and the covered person may be held liable for the full amount of the billed charge. In this section, a Plan that bases benefits on a reasonable and customary charge is called an "R & C Plan."

Benefits may be based on a contractual fee schedule, sometimes called a negotiated fee schedule, or some similar term. This means that although a provider, called a network provider, bills a charge, the covered person may be held liable only for an amount up to the negotiated fee. In this section, a Plan that bases benefits on a negotiated fee schedule is called a "Fee Schedule Plan." If the covered person uses the services of a non-network provider, the plan will be treated as an R & C Plan even though the plan under which he or she is covered allows for a fee schedule.

Payment to the provider may be based on a "capitation." This means that the HMO or other plan pays the provider a fixed amount per covered person. The covered person is liable only for the applicable deductible, coinsurance or copayment. If the covered person uses the services of a non-network provider, the HMO or other plan will only pay benefits in the event of emergency care or urgent care. In this section, a Plan that pays providers based upon capitation is called a "Capitation Plan."

In the rules below, "provider" refers to the provider who provides or arranges the services or supplies and "HMO" refers to a health maintenance organization plan.

Primary Plan is R & C Plan and Secondary Plan is R & C Plan

The Secondary Plan shall pay the lesser of:

- The difference between the amount of the billed charges and the amount paid by the Primary Plan; or
- The amount the Secondary Plan would have paid if it had been the Primary Plan.

When the benefits of the Secondary Plan are reduced as a result of this calculation, each benefit shall be reduced in proportion, and the amount paid shall be charged against any applicable benefit limit of the plan.

Primary Plan is Fee Schedule Plan and Secondary Plan is Fee Schedule Plan

If the provider is a network provider in both the Primary Plan and the Secondary Plan, the Allowable Expense shall be the fee schedule of the Primary Plan. The Secondary Plan shall pay the lesser of:

- The amount of any deductible, coinsurance or copayment required by the Primary Plan; or

- The amount the Secondary Plan would have paid if it had been the Primary Plan.

The total amount the provider receives from the Primary Plan, the Secondary Plan and the covered person shall not exceed the fee schedule of the Primary Plan. In no event shall the covered person be responsible for any payment in excess of the copayment, coinsurance or deductible of the Secondary Plan.

Primary Plan is R & C Plan and Secondary Plan is Fee Schedule Plan

If the provider is a network provider in the Secondary Plan, the Secondary Plan shall pay the lesser of:

- The difference between the amount of the billed charges for the Allowable Expenses and the amount paid by the Primary Plan; or
- The amount the Secondary Plan would have paid if it had been the Primary Plan.

The covered person shall only be liable for the copayment, deductible or coinsurance under the Secondary Plan if the covered person has no liability for copayment, deductible or coinsurance under the Primary Plan and the total payments by both the Primary and Secondary Plans are less than the provider's billed charges. In no event shall the covered person be responsible for any payment in excess of the copayment, coinsurance or deductible of the Secondary Plan.

Primary Plan is Fee Schedule Plan and Secondary Plan is R & C Plan

If the provider is a network provider in the Primary Plan, the Allowable Expense considered by the Secondary Plan shall be the fee schedule of the Primary Plan. The Secondary Plan shall pay the lesser of:

- The amount of any deductible, coinsurance or copayment required by the Primary Plan; or
- The amount the Secondary Plan would have paid if it had been the Primary Plan.

Primary Plan is Fee Schedule Plan and Secondary Plan is R & C Plan or Fee Schedule Plan

If the Primary Plan is an HMO plan that does not allow for the use of non-network providers except in the event of urgent care or emergency care and the service or supply the covered person receives from a non-network provider is not considered as urgent care or emergency care, the Secondary Plan shall pay benefits as if it were the Primary Plan.

Primary Plan is Capitation Plan and Secondary Plan is Fee Schedule Plan or R & C Plan

If the covered person receives services or supplies from a provider who is in the network of both the Primary Plan and the Secondary Plan, the Secondary Plan shall pay the lesser of:

- The amount of any deductible, coinsurance or copayment required by the Primary Plan; or
- The amount the Secondary Plan would have paid if it had been the Primary Plan.

Primary Plan is Capitation Plan or Fee Schedule Plan or R & C Plan and Secondary Plan is Capitation Plan

If the covered person receives services or supplies from a provider who is in the network of the Secondary Plan, the Secondary Plan shall be liable to pay the capitation to the provider and shall not be liable to pay the deductible, coinsurance or copayment imposed by the Primary Plan. The covered person shall not be liable to pay any deductible, coinsurance or copayments of either the Primary Plan or the Secondary Plan.

Primary Plan is an HMO and Secondary Plan is an HMO

If the Primary Plan is an HMO plan that does not allow for the use of non-network providers except in the event of urgent care or emergency care and the service or supply the covered person receives from a non-network provider is not considered as urgent care or emergency care, but the provider is in the network of the Secondary Plan, the Secondary Plan shall pay benefits as if it were the Primary Plan, except that the Primary Plan shall pay out-of-Network services, if any, authorized by the Primary Plan.

Payment of Benefits

To Whom Payable

Dental Benefits are assignable to the provider. When you assign benefits to a provider, you have assigned the entire amount of the benefits due on that claim. If the provider is overpaid because of accepting a patient's payment on the charge, it is the provider's responsibility to reimburse the patient. Because of Cigna's contracts with providers, all claims from contracted providers should be assigned.

Cigna may, at its option, make payment to you for the cost of any Covered Expenses from a Non-Participating Provider even if benefits have been assigned. When benefits are paid to you or your Dependent, you or your Dependents are responsible for reimbursing the provider.

If any person to whom benefits are payable is a minor or, in the opinion of Cigna is not able to give a valid receipt for any payment due him, such payment will be made to his legal guardian. If no request for payment has been made by his legal guardian, Cigna may, at its option, make payment to the person or institution appearing to have assumed his custody and support.

When one of our participants passes away, Cigna may receive notice that an executor of the estate has been established. The executor has the same rights as our insured and benefit payments for unassigned claims should be made payable to the executor.

Payment as described above will release Cigna from all liability to the extent of any payment made.

Time of Payment

Benefits will be paid by Cigna within 30 days after it receives a proper claim by electronic means and within 40 days after it receives a proper claim by other than electronic means. A claim will be considered to be properly submitted if it is an eligible claim for a health care service provided by a Physician to an insured; the claim has no material defect such as missing substantiating documentation or incorrect coding; there is no dispute regarding the amount of the claim; Cigna has no reason to believe the claim is fraudulent; and the claim requires no special treatment that prevents timely payment. If the claim is in whole or in part denied, ineligible, incomplete of substantiating documentation, miscoded or contains misinformation, the amount is in dispute, or requires special treatment, Cigna will in writing or by electronic means as appropriate, give an explanation of: denial, what documentation is needed to perfect a claim, a disputed claim amount, or a claim requiring extra time to process. Cigna will give notice of receipt of a claim by electronic means no later than two working days following receipt of the transmission of the claim. An overdue payment shall bear simple interest at the rate of 10% per annum.

Recovery of Overpayment

When an overpayment has been made by Cigna, Cigna will have the right at any time to: recover that overpayment from the person to whom or on whose behalf it was made; or offset the amount of that overpayment from a future claim payment.

However, your insurance will not be continued for more than 60 days past the date your Active Service ends.

Continuation

Special Continuation of Dental Insurance

If your insurance would otherwise cease due to total disability, and if you have been insured for at least three consecutive months under the policy, and if you pay your Employer the required premium, your Dental Insurance will be continued until the earliest of:

- the last day for which you have paid the required premium;

If your insurance is being continued as outlined above, the Dental Insurance for any of your Dependents insured on the date your insurance would otherwise cease may be continued, subject to the above provisions. The Dependent Dental Insurance will be continued until the earlier of:

- the date your insurance ceases; or
- with respect to any one Dependent, the date that Dependent no longer qualifies as a Dependent.

This option will not operate to reduce any continuation of insurance otherwise provided.

Dental Benefits Extension

An expense incurred in connection with a Dental Service that is completed after a person's benefits cease will be deemed to be incurred while he is insured if:

- for fixed bridgework and full or partial dentures, the final impressions are taken and/or abutment teeth fully prepared while he is insured and the prosthesis inserted within 3 calendar months after his insurance ceases.
- for a crown, inlay or onlay, the tooth is prepared while he is insured and the crown, inlay or onlay installed within 3 calendar months after his insurance ceases.

Totally Disabled

A person is considered Totally Disabled if, because of an Injury or a Sickness:

- he is unable to perform the basic duties of his occupation; and
- he is not performing any other work or engaging in any other occupation for wage or profit.

Your Dependent will be considered Totally Disabled if, because of an Injury or a Sickness:

Qualified Medical Child Support Order (QMCSO)

Eligibility for Coverage Under a QMCSO

If a Qualified Medical Child Support Order (QMCSO) is issued for your child, that child will be eligible for coverage as required by the order and you will not be considered a Late Entrant for Dependent Insurance.

You must notify your Employer and elect coverage for that child, and yourself if you are not already enrolled, within 31 days of the QMCSO being issued.

Qualified Medical Child Support Order Defined

A Qualified Medical Child Support Order is a judgment, decree or order (including approval of a settlement agreement) or administrative notice, which is issued pursuant to a state domestic relations law (including a community property law), or to an administrative process, which provides for child support or provides for health benefit coverage to such child

and relates to benefits under the group health plan, and satisfies all of the following:

- the order recognizes or creates a child's right to receive group health benefits for which a participant or beneficiary is eligible;
- the order specifies your name and last known address, and the child's name and last known address, except that the name and address of an official of a state or political subdivision may be substituted for the child's mailing address;
- the order provides a description of the coverage to be provided, or the manner in which the type of coverage is to be determined;
- the order states the period to which it applies; and
- if the order is a National Medical Support Notice completed in accordance with the Child Support Performance and Incentive Act of 1998, such Notice meets the requirements above.

The QMCSO may not require the health insurance policy to provide coverage for any type or form of benefit or option not otherwise provided under the policy, except that an order may require a plan to comply with State laws regarding health care coverage.

Payment of Benefits

Any payment of benefits in reimbursement for Covered Expenses paid by the child, or the child's custodial parent or legal guardian, shall be made to the child, the child's custodial parent or legal guardian, or a state official whose name and address have been substituted for the name and address of the child.

Effect of Section 125 Tax Regulations on This Plan

Your Employer has chosen to administer this Plan in accordance with Section 125 regulations of the Internal Revenue Code. Per this regulation, you may agree to a pretax salary reduction put toward the cost of your benefits. Otherwise, you will receive your taxable earnings as cash (salary).

A. Coverage elections

Per Section 125 regulations, you are generally allowed to enroll for or change coverage only before each annual benefit period. However, exceptions are allowed:

- if your Employer agrees, and you meet the criteria shown in the following Sections B through F and enroll for or change

coverage within the time period established by your Employer.

B. Change of status

A change in status is defined as:

- change in legal marital status due to marriage, death of a spouse, divorce, annulment or legal separation;
- change in number of Dependents due to birth, adoption, placement for adoption, or death of a Dependent;
- change in employment status of Employee, spouse or Dependent due to termination or start of employment, strike, lockout, beginning or end of unpaid leave of absence, including under the Family and Medical Leave Act (FMLA), or change in worksite;
- changes in employment status of Employee, spouse or Dependent resulting in eligibility or ineligibility for coverage;
- change in residence of Employee, spouse or Dependent to a location outside of the Employer's network service area; and
- changes which cause a Dependent to become eligible or ineligible for coverage.

C. Court order

A change in coverage due to and consistent with a court order of the Employee or other person to cover a Dependent.

D. Medicare or Medicaid eligibility/entitlement

The Employee, spouse or Dependent cancels or reduces coverage due to entitlement to Medicare or Medicaid, or enrolls or increases coverage due to loss of Medicare or Medicaid eligibility.

E. Change in cost of coverage

If the cost of benefits increases or decreases during a benefit period, your Employer may, in accordance with plan terms, automatically change your elective contribution.

When the change in cost is significant, you may either increase your contribution or elect less-costly coverage. When a significant overall reduction is made to the benefit option you have elected, you may elect another available benefit option. When a new benefit option is added, you may change your election to the new benefit option.

F. Changes in coverage of spouse or Dependent under another employer's plan

You may make a coverage election change if the plan of your spouse or Dependent: incurs a change such as adding or deleting a benefit option; allows election changes due to Change in Status, Court Order or Medicare or Medicaid Eligibility/Entitlement; or this Plan and the other plan have different periods of coverage or open enrollment periods.

Eligibility for Coverage for Adopted Children

Any child who is adopted by you, including a child who is placed with you for adoption, will be eligible for Dependent Insurance, if otherwise eligible as a Dependent, upon the date of placement with you. A child will be considered placed for adoption when you become legally obligated to support that child, totally or partially, prior to that child's adoption.

If a child placed for adoption is not adopted, all health coverage ceases when the placement ends, and will not be continued.

The provisions in the "Exception for Newborns" section of this document that describe requirements for enrollment and effective date of insurance will also apply to an adopted child or a child placed with you for adoption.

Requirements of Family and Medical Leave Act of 1993 (as amended) (FMLA)

Any provisions of the policy that provide for: continuation of insurance during a leave of absence; and reinstatement of insurance following a return to Active Service; are modified by the following provisions of the federal Family and Medical Leave Act of 1993, as amended, where applicable:

Continuation of Health Insurance During Leave

Your health insurance will be continued during a leave of absence if:

- that leave qualifies as a leave of absence under the Family and Medical Leave Act of 1993, as amended; and
- you are an eligible Employee under the terms of that Act.

The cost of your health insurance during such leave must be paid, whether entirely by your Employer or in part by you and your Employer.

Reinstatement of Canceled Insurance Following Leave

Upon your return to Active Service following a leave of absence that qualifies under the Family and Medical Leave Act of 1993, as amended, any canceled insurance (health, life or disability) will be reinstated as of the date of your return.

You will not be required to satisfy any eligibility or benefit waiting period to the extent that they had been satisfied prior to the start of such leave of absence.

Your Employer will give you detailed information about the Family and Medical Leave Act of 1993, as amended.

HC-FED93

10-17

Uniformed Services Employment and Re-Employment Rights Act of 1994 (USERRA)

The Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA) sets requirements for continuation of health coverage and re-employment in regard to an Employee's military leave of absence. These requirements apply to medical and dental coverage for you and your Dependents. They do not apply to any Life, Short-term or Long-term Disability or Accidental Death & Dismemberment coverage you may have.

Continuation of Coverage

For leaves of less than 31 days, coverage will continue as described in the Termination section regarding Leave of Absence.

For leaves of 31 days or more, you may continue coverage for yourself and your Dependents as follows:

You may continue benefits by paying the required premium to your Employer, until the earliest of the following:

- 24 months from the last day of employment with the Employer;
- the day after you fail to return to work; and
- the date the policy cancels.

Your Employer may charge you and your Dependents up to 102% of the total premium.

Reinstatement of Benefits (applicable to all coverages)

If your coverage ends during the leave of absence because you do not elect USERRA at the expiration of USERRA and you are reemployed by your current Employer, coverage for you and your Dependents may be reinstated if you gave your Employer advance written or verbal notice of your military service leave, and the duration of all military leaves while you are employed with your current Employer does not exceed 5 years.

You and your Dependents will be subject to only the balance of a waiting period that was not yet satisfied before the leave began. However, if an Injury or Sickness occurs or is aggravated during the military leave, full Plan limitations will apply.

If your coverage under this plan terminates as a result of your eligibility for military medical and dental coverage and your order to active duty is canceled before your active duty service commences, these reinstatement rights will continue to apply.

Claim Determination Procedures under ERISA

Procedures Regarding Medical Necessity Determinations

In general, health services and benefits must be Medically Necessary to be covered under the plan. The procedures for determining Medical Necessity vary, according to the type of service or benefit requested, and the type of health plan.

You or your authorized representative (typically, your health care professional) must request Medical Necessity determinations according to the procedures described below, in the Certificate, and in your provider's network participation documents as applicable.

When services or benefits are determined to be not covered, you or your representative will receive a written description of the adverse determination, and may appeal the determination. Appeal procedures are described in the Certificate, in your

provider's network participation documents as applicable, and in the determination notices.

Postservice Determinations

When you or your representative requests a coverage determination or a claim payment determination after services have been rendered, Cigna will notify you or your representative of the determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond Cigna's control Cigna will notify you or your representative within 30 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 45 days after receipt of the request.

If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed and you or your representative must provide the specified information to Cigna within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and the determination period will resume on the date you or your representative responds to the notice.

Notice of Adverse Determination

Every notice of an adverse benefit determination will be provided in writing or electronically, and will include all of the following that pertain to the determination: the specific reason or reasons for the adverse determination; reference to the specific plan provisions on which the determination is based; a description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary; a description of the plan's review procedures and the time limits applicable, including a statement of a claimant's rights to bring a civil action under section 502(a) of ERISA following an adverse benefit determination on appeal, if applicable; upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your claim, and an explanation of the scientific or clinical judgment for a determination that is based on a Medical Necessity, experimental treatment or other similar exclusion or limit; and in the case of a claim involving urgent care, a description of the expedited review process applicable to such claim.

COBRA Continuation Rights Under Federal Law

For You and Your Dependents

What is COBRA Continuation Coverage?

Under federal law, you and/or your Dependents must be given the opportunity to continue health insurance when there is a "qualifying event" that would result in loss of coverage under the Plan. You and/or your Dependents will be permitted to continue the same coverage under which you or your Dependents were covered on the day before the qualifying event occurred, unless you move out of that plan's coverage area or the plan is no longer available. You and/or your Dependents cannot change coverage options until the next open enrollment period.

When is COBRA Continuation Available?

For you and your Dependents, COBRA continuation is available for up to 18 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your termination of employment for any reason, other than gross misconduct; or
- your reduction in work hours.

For your Dependents, COBRA continuation coverage is available for up to 36 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your death;
- your divorce or legal separation; or
- for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Who is Entitled to COBRA Continuation?

Only a "qualified beneficiary" (as defined by federal law) may elect to continue health insurance coverage. A qualified beneficiary may include the following individuals who were covered by the Plan on the day the qualifying event occurred: you, your spouse, and your Dependent children. Each qualified beneficiary has their own right to elect or decline COBRA continuation coverage even if you decline or are not eligible for COBRA continuation.

The following individuals are not qualified beneficiaries for purposes of COBRA continuation: domestic partners, grandchildren (unless adopted by you), stepchildren (unless adopted by you). Although these individuals do not have an independent right to elect COBRA continuation coverage, if you elect COBRA continuation coverage for yourself, you may also cover your Dependents even if they are not considered qualified beneficiaries under COBRA. However, such individuals' coverage will terminate when your COBRA continuation coverage terminates. The sections titled

“Secondary Qualifying Events” and “Medicare Extension For Your Dependents” are not applicable to these individuals.

Secondary Qualifying Events

If, as a result of your termination of employment or reduction in work hours, your Dependent(s) have elected COBRA continuation coverage and one or more Dependents experience another COBRA qualifying event, the affected Dependent(s) may elect to extend their COBRA continuation coverage for an additional 18 months (7 months if the secondary event occurs within the disability extension period) for a maximum of 36 months from the initial qualifying event. The second qualifying event must occur before the end of the initial 18 months of COBRA continuation coverage or within the disability extension period discussed below. Under no circumstances will COBRA continuation coverage be available for more than 36 months from the initial qualifying event. Secondary qualifying events are: your death; your divorce or legal separation; or, for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Disability Extension

If, after electing COBRA continuation coverage due to your termination of employment or reduction in work hours, you or one of your Dependents is determined by the Social Security Administration (SSA) to be totally disabled under Title II or XVI of the SSA, you and all of your Dependents who have elected COBRA continuation coverage may extend such continuation for an additional 11 months, for a maximum of 29 months from the initial qualifying event.

To qualify for the disability extension, all of the following requirements must be satisfied:

- SSA must determine that the disability occurred prior to or within 60 days after the disabled individual elected COBRA continuation coverage; and
- A copy of the written SSA determination must be provided to the Plan Administrator within 60 calendar days after the date the SSA determination is made AND before the end of the initial 18-month continuation period.

If the SSA later determines that the individual is no longer disabled, you must notify the Plan Administrator within 30 days after the date the final determination is made by SSA. The 11-month disability extension will terminate for all covered persons on the first day of the month that is more than 30 days after the date the SSA makes a final determination that the disabled individual is no longer disabled.

All causes for “Termination of COBRA Continuation” listed below will also apply to the period of disability extension.

Medicare Extension for Your Dependents

When the qualifying event is your termination of employment or reduction in work hours and you became enrolled in Medicare (Part A, Part B or both) within the 18 months before

the qualifying event, COBRA continuation coverage for your Dependents will last for up to 36 months after the date you became enrolled in Medicare. Your COBRA continuation coverage will last for up to 18 months from the date of your termination of employment or reduction in work hours.

Termination of COBRA Continuation

COBRA continuation coverage will be terminated upon the occurrence of any of the following:

- the end of the COBRA continuation period of 18, 29 or 36 months, as applicable;
- failure to pay the required premium within 30 calendar days after the due date;
- cancellation of the Employer’s policy with Cigna;
- after electing COBRA continuation coverage, a qualified beneficiary enrolls in Medicare (Part A, Part B, or both);
- after electing COBRA continuation coverage, a qualified beneficiary becomes covered under another group health plan, unless the qualified beneficiary has a condition for which the new plan limits or excludes coverage under a pre-existing condition provision. In such case coverage will continue until the earliest of: the end of the applicable maximum period; the date the pre-existing condition provision is no longer applicable; or the occurrence of an event described in one of the first three bullets above;
- any reason the Plan would terminate coverage of a participant or beneficiary who is not receiving continuation coverage (e.g., fraud).

Employer’s Notification Requirements

Your Employer is required to provide you and/or your Dependents with the following notices:

- An initial notification of COBRA continuation rights must be provided within 90 days after your (or your spouse’s) coverage under the Plan begins (or the Plan first becomes subject to COBRA continuation requirements, if later). If you and/or your Dependents experience a qualifying event before the end of that 90-day period, the initial notice must be provided within the time frame required for the COBRA continuation coverage election notice as explained below.
- A COBRA continuation coverage election notice must be provided to you and/or your Dependents within the following timeframes:
 - if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the loss of coverage, 44 days after loss of coverage under the Plan;
 - if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the

occurrence of a qualifying event, 44 days after the qualifying event occurs; or

- in the case of a multi-employer plan, no later than 14 days after the end of the period in which Employers must provide notice of a qualifying event to the Plan Administrator.

How to Elect COBRA Continuation Coverage

The COBRA coverage election notice will list the individuals who are eligible for COBRA continuation coverage and inform you of the applicable premium. The notice will also include instructions for electing COBRA continuation coverage. You must notify the Plan Administrator of your election no later than the due date stated on the COBRA election notice. If a written election notice is required, it must be post-marked no later than the due date stated on the COBRA election notice. If you do not make proper notification by the due date shown on the notice, you and your Dependents will lose the right to elect COBRA continuation coverage. If you reject COBRA continuation coverage before the due date, you may change your mind as long as you furnish a completed election form before the due date.

Each qualified beneficiary has an independent right to elect COBRA continuation coverage. Continuation coverage may be elected for only one, several, or for all Dependents who are qualified beneficiaries. Parents may elect to continue coverage on behalf of their Dependent children. You or your spouse may elect continuation coverage on behalf of all the qualified beneficiaries. You are not required to elect COBRA continuation coverage in order for your Dependents to elect COBRA continuation.

How Much Does COBRA Continuation Coverage Cost?

Each qualified beneficiary may be required to pay the entire cost of continuation coverage. The amount may not exceed 102% of the cost to the group health plan (including both Employer and Employee contributions) for coverage of a similarly situated active Employee or family member. The premium during the 11-month disability extension may not exceed 150% of the cost to the group health plan (including both employer and employee contributions) for coverage of a similarly situated active Employee or family member.

For example: If the Employee alone elects COBRA continuation coverage, the Employee will be charged 102% (or 150%) of the active Employee premium. If the spouse or one Dependent child alone elects COBRA continuation coverage, they will be charged 102% (or 150%) of the active Employee premium. If more than one qualified beneficiary elects COBRA continuation coverage, they will be charged 102% (or 150%) of the applicable family premium.

When and How to Pay COBRA Premiums

First payment for COBRA continuation

If you elect COBRA continuation coverage, you do not have to send any payment with the election form. However, you must make your first payment no later than 45 calendar days after the date of your election. (This is the date the Election Notice is postmarked, if mailed.) If you do not make your first payment within that 45 days, you will lose all COBRA continuation rights under the Plan.

Subsequent payments

After you make your first payment for COBRA continuation coverage, you will be required to make subsequent payments of the required premium for each additional month of coverage. Payment is due on the first day of each month. If you make a payment on or before its due date, your coverage under the Plan will continue for that coverage period without any break.

Grace periods for subsequent payments

Although subsequent payments are due by the first day of the month, you will be given a grace period of 30 days after the first day of the coverage period to make each monthly payment. Your COBRA continuation coverage will be provided for each coverage period as long as payment for that coverage period is made before the end of the grace period for that payment. However, if your payment is received after the due date, your coverage under the Plan may be suspended during this time. Any providers who contact the Plan to confirm coverage during this time may be informed that coverage has been suspended. If payment is received before the end of the grace period, your coverage will be reinstated back to the beginning of the coverage period. This means that any claim you submit for benefits while your coverage is suspended may be denied and may have to be resubmitted once your coverage is reinstated. If you fail to make a payment before the end of the grace period for that coverage period, you will lose all rights to COBRA continuation coverage under the Plan.

You Must Give Notice of Certain Qualifying Events

If you or your Dependent(s) experience one of the following qualifying events, you must notify the Plan Administrator within 60 calendar days after the later of the date the qualifying event occurs or the date coverage would cease as a result of the qualifying event:

- Your divorce or legal separation; or
- Your child ceases to qualify as a Dependent under the Plan.
- The occurrence of a secondary qualifying event as discussed under “Secondary Qualifying Events” above (this notice must be received prior to the end of the initial 18- or 29-month COBRA period).

(Also refer to the section titled “Disability Extension” for additional notice requirements.)

Notice must be made in writing and must include: the name of the Plan, name and address of the Employee covered under the Plan, name and address(es) of the qualified beneficiaries affected by the qualifying event; the qualifying event; the date the qualifying event occurred; and supporting documentation (e.g., divorce decree, birth certificate, disability determination, etc.).

Newly Acquired Dependents

If you acquire a new Dependent through marriage, birth, adoption or placement for adoption while your coverage is being continued, you may cover such Dependent under your COBRA continuation coverage. However, only your newborn or adopted Dependent child is a qualified beneficiary and may continue COBRA continuation coverage for the remainder of the coverage period following your early termination of COBRA coverage or due to a secondary qualifying event. COBRA coverage for your Dependent spouse and any Dependent children who are not your children (e.g., stepchildren or grandchildren) will cease on the date your COBRA coverage ceases and they are not eligible for a secondary qualifying event.

COBRA Continuation for Retirees Following Employer’s Bankruptcy

If you are covered as a retiree, and a proceeding in bankruptcy is filed with respect to the Employer under Title 11 of the United States Code, you may be entitled to COBRA continuation coverage. If the bankruptcy results in a loss of coverage for you, your Dependents or your surviving spouse within one year before or after such proceeding, you and your covered Dependents will become COBRA qualified beneficiaries with respect to the bankruptcy. You will be entitled to COBRA continuation coverage until your death. Your surviving spouse and covered Dependent children will be entitled to COBRA continuation coverage for up to 36 months following your death. However, COBRA continuation coverage will cease upon the occurrence of any of the events listed under “Termination of COBRA Continuation” above.

Interaction With Other Continuation Benefits

You may be eligible for other continuation benefits under state law. Refer to the Termination section for any other continuation benefits.

Discretionary Authority

The Plan Administrator delegates to Cigna the discretionary authority to interpret and apply plan terms and to make factual determinations in connection with its review of claims under the plan. Such discretionary authority is intended to include, but not limited to, the determination of the eligibility of persons desiring to enroll in or claim benefits under the plan, the determination of whether a person is entitled to benefits under the plan, and the computation of any and all benefit

payments. The Plan Administrator also delegates to Cigna the discretionary authority to perform a full and fair review, as required by ERISA, of each claim denial which has been appealed by the claimant or his duly authorized representative.

Plan Modification, Amendment and Termination

The Employer as Plan Sponsor reserves the right to, at any time, change or terminate benefits under the Plan, to change or terminate the eligibility of classes of employees to be covered by the Plan, to amend or eliminate any other plan term or condition, and to terminate the whole plan or any part of it. Contact the Employer for the procedure by which benefits may be changed or terminated, by which the eligibility of classes of employees may be changed or terminated, or by which part or all of the Plan may be terminated. No consent of any participant is required to terminate, modify, amend or change the Plan.

Termination of the Plan together with termination of the insurance policy(s) which funds the Plan benefits will have no adverse effect on any benefits to be paid under the policy(s) for any covered medical expenses incurred prior to the date that policy(s) terminates. Likewise, any extension of benefits under the policy(s) due to you or your Dependent's total disability which began prior to and has continued beyond the date the policy(s) terminates will not be affected by the Plan termination. Rights to purchase limited amounts of life and medical insurance to replace part of the benefits lost because the policy(s) terminated may arise under the terms of the policy(s). A subsequent Plan termination will not affect the extension of benefits and rights under the policy(s).

Your coverage under the Plan's insurance policy(s) will end on the earliest of the following dates:

- the date you leave Active Service (or later as explained in the Termination Section;)
- the date you are no longer in an eligible class;
- if the Plan is contributory, the date you cease to contribute;
- the date the policy(s) terminates.

See your Plan Administrator to determine if any extension of benefits or rights are available to you or your Dependents under this policy(s). No extension of benefits or rights will be available solely because the Plan terminates.

Statement of Rights

As a participant in the plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

- examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance

contracts and collective bargaining agreements and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure room of the Employee Benefits Security Administration.

- obtain, upon written request to the Plan Administrator, copies of documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each person under the Plan with a copy of this summary financial report.

Continue Group Health Plan Coverage

- continue health care coverage for yourself, your spouse or Dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your Dependents may have to pay for such coverage. Review the documents governing the Plan on the rules governing your federal continuation coverage rights.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA. If your claim for a welfare benefit is denied or ignored you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Enforce Your Rights

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of documents governing the plan or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court.

In addition, if you disagree with the plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in federal court. If it should happen that plan fiduciaries misuse

the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

We want you to be completely satisfied with the care you receive. That is why we have established a process for addressing your concerns and solving your problems.

Start with Customer Service

We are here to listen and help. If you have a specific concern or complaint regarding a person, a service, the quality of care,

or contractual benefits, you may call our toll-free number and explain your concern to one of our Customer Service representatives. You can also express that concern in writing. Please call or write to us at the following:

Customer Services toll-free number or address that appears on your benefit identification card, explanation of benefits or claim form.

We will do our best to resolve the matter on your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible, but in any case within 30 calendar days.

If you are not satisfied with the results of a coverage decision, you can start the appeals procedure.

Appeals Procedure

Cigna has a two-step appeals procedure for coverage decisions. To initiate an appeal, you must submit a request for an appeal in writing within 365 days of receipt of a denial notice. You should state the reason why you feel your appeal should be approved and include any information supporting your appeal. If you are unable or choose not to write, you may ask to register your appeal by telephone. Call or write to us at the toll-free number or address on your benefit identification card, explanation of benefits or claim form.

Level-One Appeal

Your appeal will be reviewed and the decision made by someone not involved in the initial decision. Appeals involving Medically Necessary and/or Dentally Necessary or clinical appropriateness will be considered by a health care professional.

For level-one appeals, we will acknowledge in writing that we have received your request within 30 calendar days after we receive an appeal for a post-service coverage determination. If more time or information is needed to make the determination, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

Level-Two Appeal

If you are dissatisfied with our level-one appeal decision, you may request a second review. To initiate a level two appeal, follow the same process required for a level one appeal.

Requests for a level-two appeal regarding the Medically Necessary and/or Dentally Necessary or clinical appropriateness of your issue will be conducted by Committee, which consists of one or more people not previously involved in the prior decision. The Committee will consult with at least one dental care provider in the same or similar specialty as the care under consideration. You may present your situation to the Committee by conference call.

In the event any new or additional information (evidence) is considered, relied upon, or generated by us in connection with

the level-two appeal, this information will be provided to you as soon as possible and sufficiently in advance of the Committee's decision, so that you will have an opportunity to respond. Also, if any new or additional rationale is considered by us, we will provide the rationale to you as soon as possible and sufficiently in advance of the Committee's decision so that you will have an opportunity to respond.

You will be notified in writing of the Committee's decision within five business days after the Committee meeting, and within the Committee review time frames above if the Committee does not approve the requested coverage.

Notice of Benefit Determination on Appeal

Every notice of a determination on appeal will be provided in writing or electronically and, if an adverse determination, will include: the specific reason or reasons for the adverse determination; reference to the specific plan provisions on which the determination is based; a statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to and copies of all documents, records, and other Relevant Information as defined; a statement describing any voluntary appeal procedures offered by the plan; and the claimant's right to bring an action under ERISA section 502(a); upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your appeal, and an explanation of the scientific or clinical judgment for a determination that is based on a Medically Necessary and/or Dentally Necessary, experimental treatment or other similar exclusion or limit.

You also have the right to bring a civil action under section 502(a) of ERISA if you are not satisfied with the decision on review. You or your plan may have other voluntary alternative dispute resolution options such as Mediation. One way to find out what may be available is to contact your local U.S. Department of Labor office and your state insurance regulatory agency. You may also contact the Plan Administrator.

Relevant Information

Relevant Information is any document, record, or other information which: was relied upon in making the benefit determination; was submitted, considered, or generated in the course of making the benefit determination, without regard to whether such document, record, or other information was relied upon in making the benefit determination; demonstrates compliance with the administrative processes and safeguards required by federal law in making the benefit determination; or constitutes a statement of policy or guidance with respect to the plan concerning the denied treatment option or benefit or the claimant's diagnosis, without regard to whether such advice or statement was relied upon in making the benefit determination.

Legal Action Following Appeals

If your plan is governed by ERISA, you have the right to bring a civil action in federal court under section 502(a) of ERISA if you are not satisfied with the outcome of the appeals procedure. In most instances, you may not initiate a legal action against Cigna until you have completed the level-one and level-two appeal processes. However, no action will be brought at all unless brought within 3 years after a claim is submitted for In-Network services or within three years after proof of claim is required under the plan for Out-of-Network services.

Maximum Reimbursable Charge - Dental

The Maximum Reimbursable Charge (MRC) for covered services is determined based on the lesser of:

- the provider's normal charge for a similar service or supply; or
- the policyholder-selected percentile of charges made by providers of such service or supply in the geographic area where it is received as compiled in a database selected by Cigna and updated annually. If sufficient data is unavailable in the database for that geographic area to determine the Maximum Reimbursable Charge, then state, regional or national data may be used. The Group Contract must be consulted to determine the rates and the exact terms and conditions of coverage. I. Definitions

Capitalized terms, unless otherwise defined, have the meanings listed below.

Adverse Determination - a decision by Cigna Dental not to authorize payment for certain limited specialty care procedures on the basis of necessity or appropriateness of care. To be considered clinically necessary, the treatment or service must be reasonable and appropriate and meet the following requirements:

- A. be consistent with the symptoms, diagnosis or treatment of the condition present;
- B. conform to commonly accepted standards throughout the dental field;
- C. not be used primarily for the convenience of the customer or dentist of care; and
- D. not exceed the scope, duration, or intensity of that level of care needed to provide safe and appropriate treatment.

Requests for payment authorizations that are declined by Cigna Dental based upon the above criteria will be the responsibility of the customer at the dentist's Usual Fees. A licensed dentist will make any such denial.

Cigna Dental - the Cigna Dental Health organization that provides dental benefits in your state as listed on the face page of this booklet.

Contract Fees - the fees contained in the Network Dentist agreement with Cigna Dental.

Covered Services - the dental procedures listed on your Patient Charge Schedule.

Dental Office - your selected office of Network General Dentist(s).

Dental Plan - managed dental care plan offered through the Group Contract between Cigna Dental and your Group.

Dependent - your lawful spouse, civil union or your domestic partner (if established in New Jersey prior to February 19, 2007 or if established outside the state of New Jersey prior to or after February 19, 2007); your unmarried or unpartnered child (including newborns, adopted children, stepchildren, a child for whom you must provide dental coverage under a court order; or, a Dependent child who resides in your home as a result of court order or administrative placement; or a Dependent child acquired through a civil union) who is:

- A. less than 19 years old; or
- B. less than 23 years old if he or she is both:
 - 1. a full-time student enrolled at an accredited educational institution, and
 - 2. reliant upon you for maintenance and support; or

C. any age if he or she is both:

- 1. incapable of self-sustaining employment due to mental or physical disability, and
- 2. reliant upon you for maintenance and support.

For a Dependent child 19 years of age or older who is a full-time student at an educational institution, coverage will be provided for an entire academic term during which the child begins as a full-time student and remains enrolled, regardless of whether the number of hours of instruction for which the child is enrolled is reduced to a level that changes the child's academic status to less than that of a full-time student.

A Newly Acquired Dependent is a dependent child who is adopted, born, or otherwise becomes your dependent after you become covered under the Plan.

Coverage for Dependents living outside a Cigna Dental Service Area is subject to the availability of an approved network where the Dependent resides.

This definition of "Dependent" applies unless modified by your Group Contract.

Group - employer, labor union or other organization that has entered into a Group Contract with Cigna Dental for managed dental services on your behalf.

Network General Dentist - a licensed dentist who has signed an agreement with Cigna Dental under which he or she agrees to provide dental care services to you.

Network Specialty Dentist - a licensed dentist who has signed an agreement with Cigna Dental under which he or she agrees to provide specialized dental care services to you.

Service Area - the geographical area designated by Cigna Dental within which it shall provide benefits and arrange for dental care services.

Subscriber/You - the enrolled employee or customer of the Group.

Usual Fee - the customary fee that an individual dentist most frequently charges for a given dental service.

II. Introduction To Your Cigna Dental Plan

Welcome to the Cigna Dental Plan. We encourage you to use your dental benefits. Please note that enrollment in the Dental Plan allows the release of patient records to Cigna Dental or its designee for health plan operation purposes.

III. Eligibility When Coverage Begins

To enroll in the Dental Plan, you and your Dependents must be able to seek treatment for Covered Services within a Cigna Dental Service Area. Other eligibility requirements are determined by your Group.

If you enrolled in the Dental Plan before the effective date of your Group Contract, you will be covered on the first day the Group Contract is effective. If you enrolled in the Dental Plan after the effective date of the Group Contract, you will be covered on the first day of the month following processing of your enrollment (unless effective dates other than the first day of the month are provided for in your Group Contract).

Dependents may be enrolled in the Dental Plan at the time you enroll, during an open enrollment, or within 31 days of becoming eligible due to a life status change such as marriage, birth, adoption, placement, or court or administrative order. You may drop coverage for your Dependents only during the open enrollment periods for your Group, unless there is a change in status such as divorce. Cigna Dental may require evidence of good dental health at your expense if you or your Dependents enroll after the first period of eligibility (except during open enrollment) or after disenrollment because of nonpayment of Premiums.

If you have family coverage, a newborn child is automatically covered during the first 31 days of life. If you wish to continue coverage beyond the first 31 days, your baby must be enrolled in the Dental Plan and you must begin paying Premiums, if any additional are due, during that period.

Under the Family and Medical Leave Act of 1993, you may be eligible to continue coverage during certain leaves of absence from work. During such leaves, you will be responsible for paying your Group the portion of the Premiums, if any, which you would have paid if you had not taken the leave.

Additional information is available through your Benefits Representative.

IV. Your Cigna Dental Coverage

The information below outlines your coverage and will help you to better understand your Dental Plan. Included is information about which services are covered, which are not, and how much dental services will cost you. A copy of the Group Contract will be furnished to you upon your request.

A. Customer Service

If you have any questions or concerns about the Dental Plan, Customer Service Representatives are just a toll-free phone call away. They can explain your benefits or help with matters regarding your Dental Office or Dental Plan. For assistance with transfers, specialty referrals, eligibility, second opinions, emergencies, Covered Services, plan benefits, ID cards, location of Dental Offices, conversion coverage or other matters, call Customer Service from any location at 1-800-Cigna24. The hearing impaired may contact the state TTY toll-free relay service number listed in their local telephone directory.

B. Premiums

Your Group sends a monthly fee to Cigna Dental for customers participating in the Dental Plan. The amount and term of this fee is set forth in your Group Contract. You may contact your Benefits Representative for information regarding any part of this fee to be withheld from your salary or to be paid by you to the Group.

C. Other Charges – Patient Charges

Network General Dentists are reimbursed by Cigna Dental through fixed monthly payments and supplemental payments for certain procedures. No bonuses or financial incentives are used as an inducement to limit services. Network Dentists are also compensated by the fees which you pay, as set out in your Patient Charge Schedule.

Your Patient Charge Schedule lists the dental procedures covered under your Dental Plan. Some dental procedures are covered at no charge to you. For other Covered Services, the Patient Charge Schedule lists the fees you must pay when you visit your Dental Office. There are no deductibles and no annual dollar limits for services covered by your Dental Plan.

Your Network General Dentist should tell you about Patient Charges for Covered Services the amount you must pay for non-Covered Services and the Dental Office's payment policies. Timely payment is important. It is possible that the Dental Office may add late charges to overdue balances.

Your Patient Charge Schedule is subject to annual change in accordance with your Group Contract. Cigna Dental will give written notice to your Group of any change in Patient Charges at least 60 days prior to such change. You will be responsible for the Patient Charges listed on the Patient Charge Schedule that is in effect on the date a procedure is started.

D. Choice of Dentist

You and your Dependents should have selected a Dental Office when you enrolled in the Dental Plan. If you did

not, you must advise Cigna Dental of your Dental Office selection prior to receiving treatment. The benefits of the Dental Plan are available only at your Dental Office, except in the case of an emergency or when Cigna Dental otherwise authorizes payment for out-of-network benefits.

You may select a network Pediatric Dentist as the Network General Dentist for your dependent child under age 7 by calling Customer Service at 1-800-Cigna24 to get a list of network Pediatric Dentists in your Service Area or if your Network General Dentist sends your child under the age of 7 to a network Pediatric Dentist, the network Pediatric Dentist's office will have primary responsibility for your child's care. For children 7 years and older, your Network General Dentist will provide care. If your child continues to visit the Pediatric Dentist upon the age of 7, you will be fully responsible for the Pediatric Dentist's Usual Fees. Exceptions for medical reasons may be considered on a case-by-case basis.

If for any reason your selected Dental Office cannot provide your dental care, or if your Network General Dentist terminates from the network, Cigna Dental will let you know and will arrange a transfer to another Dental Office. Refer to the Section titled "Office Transfers" if you wish to change your Dental Office.

To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1-800-Cigna24. It is available 24 hours a day, 7 days per week. If you would like to have the list faxed to you, enter your fax number, including your area code. You may always obtain a current Dental Office Directory by calling Customer Service.

E. Your Payment Responsibility (General Care)

For Covered Services at your Dental Office, you will be charged the fees listed on your Patient Charge Schedule. For services listed on your Patient Charge Schedule at any other dental office, you may be charged Usual Fees. For non-Covered Services, you are responsible for paying Usual Fees.

See Section IX, *Specialty Referrals*, regarding payment responsibility for specialty care.

All contracts between Cigna Dental and Network Dentists state that you will not be liable to the Network Dentist for any sums owed to the Network Dentist by Cigna Dental.

F. Emergency Dental Care – Reimbursement

An emergency is a dental condition of recent onset and severity which would lead a prudent layperson possessing an average knowledge of dentistry to believe the condition needs immediate dental procedures necessary to control excessive bleeding, relieve severe pain, or eliminate acute infection. You should contact your

Network General Dentist if you have an emergency in your Service Area.

Emergency Care Away From Home - If you have an emergency while you are out of your Service Area or you are unable to contact your Network General Dentist, you may receive emergency Covered Services as defined above from any general dentist. Routine restorative procedures or definitive treatment (e.g. root canal) are not considered emergency care. You should return to your Network General Dentist for these procedures. For emergency Covered Services, you will be responsible for the Patient Charges listed on your Patient Charge Schedule. Cigna Dental will reimburse you the difference, if any, between the dentist's Usual Fee for emergency Covered Services and your Patient Charge, up to a total of \$50 per incident. To receive reimbursement, send appropriate reports and x-rays to Cigna Dental at the address listed on the front of this booklet.

Emergency Care After Hours - There is a Patient Charge listed on your Patient Charge Schedule for emergency care rendered after regularly scheduled office hours. This charge will be in addition to other applicable Patient Charges.

G. Limitations on Covered Services

Listed below are limitations on services when covered by your Dental Plan:

- **Frequency** - The frequency of certain Covered Services, like cleanings, is limited. Your Patient Charge Schedule lists any limitations on frequency.
- **Pediatric Dentistry** - Coverage for treatment by a Pediatric Dentist ends on your child's 7th birthday; however, exceptions for medical reasons may be considered on an individual basis. Effective on your child's 7th birthday, dental services must be obtained from a Network General Dentist.
- **Oral Surgery** - The surgical removal of an impacted wisdom tooth may not be covered if the tooth is not diseased or if the removal is only for orthodontic reasons. Your Patient Charge Schedule lists any limitations on oral surgery.
- **Periodontal (gum tissue and supporting bone) Services** – Periodontal regenerative procedures are limited to one regenerative procedure per site (or per tooth, if applicable), when covered on the Patient Charge Schedule. Localized delivery of antimicrobial agents is limited to eight teeth (or eight sites, if applicable) per 12 consecutive months, when covered on the Patient Charge Schedule.
- **Clinical Oral Evaluations** – When this limitation is noted on the Patient Charge Schedule, periodic oral evaluations, comprehensive oral evaluations,

comprehensive periodontal evaluations, and oral evaluations for patients under 3 years of age are limited to a combined total of 4 evaluations during a 12 consecutive month period.

- **Surgical Placement of Implant Services** – When covered on the Patient Charge Schedule, surgical placement of a dental implant; repair, maintenance, or removal of a dental implant; implant abutment(s); or any services related to the surgical placement of a dental implant are limited to one per year with replacement of a surgical implant frequency limitation of one every 10 years.
- **Prosthesis Over Implant** – When covered on the Patient Charge Schedule, a prosthetic device, supported by an implant or implant abutment is considered a separate distinct service(s) from surgical placement of an implant. Replacement of any type of prosthesis with a prosthesis supported by an implant or implant abutment is only covered if the existing prosthesis is at least 5 calendar years old, is not serviceable and cannot be repaired.

General Limitations Dental Benefits

No payment will be made for expenses incurred or services received:

- for or in connection with an injury arising out of, or in the course of, any employment for wage or profit;

- surgical placement of a dental implant; repair, maintenance, or removal of a dental implant; implant abutment(s); or any services related to the surgical placement of a dental implant, unless specifically listed on your Patient Charge Schedule.
- services considered to be unnecessary or experimental in nature or do not meet commonly accepted dental standards.
- procedures or appliances for minor tooth guidance or to control harmful habits.
- hospitalization, including any associated incremental charges for dental services performed in a hospital. (Benefits are available for Network Dentist charges for Covered Services performed at a hospital. Other associated charges are not covered and should be

submitted to the medical carrier for benefit determination.)

- the completion of crowns, bridges, dentures or root canal treatment already in progress on the effective date of your Cigna Dental coverage.

Cigna Dental considers recementation within this timeframe to be incidental to and part of the charges for the initial restoration unless specifically listed on your Patient Charge Schedule.

Pre-existing conditions are not excluded if the procedures involved are otherwise covered under your Patient Charge Schedule.

Should any law require coverage for any particular service(s) noted above, the exclusion or limitation for that service(s) shall not apply.

V. Appointments

To make an appointment with your Network Dentist, call the Dental Office that you have selected. When you call, your Dental Office will ask for your identification number and will check your eligibility.

VI. Broken Appointments

The time your Network Dentist schedules for your appointment is valuable to you and the dentist. Broken appointments make it difficult for your Dental Office to schedule time with other patients.

If you or your enrolled Dependent breaks an appointment with less than 24 hours notice to the Dental Office, you may be charged a broken appointment fee.

VII. Office Transfers

If you decide to change Dental Offices, we can arrange a transfer. You should complete any dental procedure in progress before transferring to another Dental Office. To arrange a transfer, call Customer Service at 1-800-Cigna24. To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1-800-Cigna24.

Your transfer request will take about 5 days to process. Transfers will be effective the first day of the month after the processing of your request. Unless you have an emergency, you will be unable to schedule an appointment at the new Dental Office until your transfer becomes effective.

There is no charge to you for the transfer, however, all Patient Charges which you owe to your current Dental Office must be paid before the transfer can be processed.

VIII. Specialty Care

Your Network General Dentist at your Dental Office has primary responsibility for your professional dental care. Because you may need specialty care, the Cigna Dental Network includes the following types of specialty dentists:

- Pediatric Dentists - children's dentistry.
- Endodontists - root canal treatment.
- Periodontists - treatment of gums and bone.
- Oral Surgeons - complex extractions and other surgical procedures.
- Orthodontists - tooth movement.

There is no coverage for referrals to Prosthodontists or other specialty dentists not listed above.

When specialty care is needed, your Network General Dentist must start the referral process. X-rays taken by your Network General Dentist should be sent to the Network Specialty Dentist.

See Section IV.D., *Choice of Dentist*, regarding treatment by a Pediatric Dentist.

IX. Specialty Referrals

A. In General

Upon referral from a Network General Dentist, your Network Specialty Dentist will submit a specialty care treatment plan to Cigna Dental for payment authorization, except for Pediatrics, Orthodontics and Endodontics, for which prior authorization is not required. You should verify with the Network Specialist that your treatment plan has been authorized for payment by Cigna Dental before treatment begins.

When Cigna Dental authorizes payment to the Network Specialty Dentist, the fees for no-charge services listed on the Patient Charge Schedule in effect on the date each procedure is started will apply, except as set out in Section IX. B. *Orthodontics*. Treatment by the Network Specialist must begin within 90 days from the date of Cigna Dental's authorization. If you are unable to obtain treatment within the 90-day period, please call Customer Service to request an extension. Your coverage must be in effect when each procedure begins.

For non-Covered Services or if Cigna Dental does not authorize payment to the Network Specialty Dentist for Covered Services, including Adverse Determinations, you must pay the Network Specialty Dentist's Usual Fee.

If you have a question or concern regarding an authorization or a denial, contact Customer Service.

After the Network Specialty Dentist has completed treatment, you should return to your Network General

Dentist for cleanings, regular checkups and other treatment. If you visit a Network Specialty Dentist without a referral or if you continue to see a Network Specialty Dentist after you have completed specialty care, it will be your responsibility to pay for treatment at the dentist's Usual Fees.

B. Orthodontics (This section is applicable only when Orthodontics is listed on your Patient Charge Schedule.)

Definitions - If your Patient Charge Schedule indicates coverage for orthodontic treatment, the following definitions apply:

- **Orthodontic Treatment Plan and Records** - the preparation of orthodontic records and a treatment plan by the Orthodontist.
- **Interceptive Orthodontic Treatment** - treatment prior to full eruption of the permanent teeth, frequently a first phase preceding comprehensive treatment.
- **Comprehensive Orthodontic Treatment** - treatment after the eruption of most permanent teeth, generally the final phase of treatment before retention.
- **Retention (Post Treatment Stabilization)** - the period following orthodontic treatment during which you may wear an appliance to maintain and stabilize the new position of the teeth.

Patient Charges

The Patient Charge for your entire orthodontic case, including retention, will be based upon the Patient Charge Schedule in effect on the date of your visit for Treatment Plan and Records. However, if a. banding/appliance insertion does not occur within 90 days of such visit, b. your treatment plan changes, or c. there is an interruption in your coverage or treatment, a later change in the Patient Charge Schedule may apply.

The Patient Charge for Orthodontic Treatment is based upon 24 months of interceptive and/or comprehensive treatment. If you require more than 24 months of treatment in total, you will be charged an additional amount for each additional month of treatment, based upon the Orthodontist's Contract Fee. If you require less than 24 months of treatment, your Patient Charge will be reduced on a pro-rated basis.

Additional Charges

You will be responsible for the Orthodontist's Usual Fees for the following non-Covered Services:

- incremental costs associated with optional/elective materials, including but not limited to ceramic, clear, lingual brackets, or other cosmetic appliances;
- orthognathic surgery and associated incremental costs;
- appliances to guide minor tooth movement;

- appliances to correct harmful habits; and
- services which are not typically included in orthodontic treatment. These services will be identified on a case-by-case basis.

Orthodontics in Progress

If orthodontic treatment is in progress for you or your Dependent at the time you enroll, the fee listed on the Patient Charge Schedule is not applicable. Please call Customer Service at 1-800-Cigna24 to find out if you are entitled to any benefit under the Dental Plan.

X. Complex Rehabilitation/Multiple Crown Units

Complex rehabilitation is extensive dental restoration involving 6 or more “units” of crown, bridge and/or implant supported prosthesis (including crowns and bridges) in the same treatment plan. Using full crowns (caps), fixed bridges and/or implant supported prosthesis (including crowns and bridges) which are cemented in place, your Network General Dentist will rebuild natural teeth, fill in spaces where teeth are missing and establish conditions which allow each tooth to function in harmony with the occlusion (bite). The extensive procedures involved in complex rehabilitation require an extraordinary amount of time, effort, skill and laboratory collaboration for a successful outcome.

Complex rehabilitation will be covered when performed by your Network General Dentist after consultation with you about diagnosis, treatment plan and charges. Each tooth or tooth replacement included in the treatment plan is referred to as a “unit” on your Patient Charge Schedule. The crown, bridge and/or implant supported prosthesis (including crowns and bridges) charges on your Patient Charge Schedule are for each unit of crown or bridge. You pay the per unit charge for each unit of crown, bridge and/or implant supported prosthesis (including crowns and bridges) PLUS an additional charge for each unit when 6 or more units are prescribed in your Network General Dentist’s treatment plan.

Note: Complex rehabilitation only applies for implant supported prosthesis, when implant supported prosthesis are specifically listed on your Patient Charge Schedule.

XI. What To Do If There Is A Problem

For the purposes of this section, any reference to “you” or “your” also refers to a representative or dentist designated by you to act on your behalf.

Most problems can be resolved between you and your dentist. However, we want you to be completely satisfied with the Dental Plan. That is why we have established a process for addressing your concerns and complaints. The complaint

procedure is voluntary and will be used only upon your request.

A. Start With Customer Service

We are here to listen and to help. If you have a concern about your Dental Office or the Dental Plan, you can call 1-800-Cigna24 toll-free and explain your concern to one of our Customer Service Representatives. You can also express that concern in writing to Cigna Dental, P.O. Box 188047, Chattanooga, TN 37422-8047. We will do our best to resolve the matter during your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible, usually by the end of the next business day, but in any case within 15 working days.

If you are not satisfied with the results of a coverage decision, you may start the appeals procedure.

B. Appeals Procedure

Cigna Dental has a two-step appeals procedure for coverage decisions. To initiate an appeal, you must submit a request in writing to Cigna Dental, P.O. Box 188047, Chattanooga, TN 37422-8047, within 1 year from the date of the initial Cigna Dental decision. You should state the reason you feel your appeal should be approved and include any information to support your appeal. If you are unable or choose not to write, you may ask Customer Service to register your appeal by calling 1-800-Cigna24.

Level-One Appeals

Your level-one appeal will be reviewed and the decision made by someone not involved in the initial review. Appeals involving dental necessity or clinical appropriateness will be reviewed by a dental professional.

We will respond with a decision within 15 working days after we receive your appeal. If we need more time or information to make the decision, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition.

A dental professional, in consultation with the treating Dentist, will decide if an expedited review is necessary. When a review is expedited, Cigna Dental will respond orally with a decision within 72 hours, followed up in writing.

If you are not satisfied with our level-one appeal decision, you may request a level-two appeal.

Level-Two Appeals

To initiate a level-two appeal, follow the same process required for a level-one appeal. Your level-two appeal will be reviewed and a decision made by someone not involved in the level-one appeal. For appeals involving dental necessity or clinical appropriateness, the decision will be made by a dentist. If specialty care is in dispute, the appeal will be conducted by a dentist in the same or similar specialty as the care under review.

The review will be completed within 15 working days. If we need more time or information to complete the review, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review. The decision will include the specific contractual or clinical reasons for the decision, as applicable.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating Dentist, will decide if an expedited review is necessary. When a review is expedited, the Dental Plan will respond orally with a decision within 72 hours, followed up in writing.

Appeals to the State

You have the right to contact the New Jersey Department of Insurance and/or Department of Health for assistance at any time.

Cigna Dental will not cancel or refuse to renew your coverage because you or your Dependent has filed a complaint or an appeal involving a decision made by Cigna Dental. You have the right to file suit in a court of law for any claim involving the professional treatment performed by a dentist.

XII. Dual Coverage

A. In General

“Coordination of benefits” is the procedure used to pay health care expenses when a person is covered by more than one plan. Cigna Dental follows rules established by New Jersey law to decide which plan pays first and how much the other plan must pay. The objective is to make sure the combined payments of all plans are no more than your actual bills.

When you or your family members are covered by another group plan in addition to this one, we will follow New Jersey coordination of benefit rules to determine which plan is primary and which is secondary. You must submit all bills first to the primary plan. The primary plan

must pay its full benefits as if you had no other coverage. If the primary plan denies the claim or does not pay the full bill, you may then submit the balance to the secondary plan.

Cigna Dental pays for dental care when you follow our rules and procedures. If our rules conflict with those of another plan, it may be impossible to receive benefits from both plans, and you will be forced to choose which plan to use.

B. How Cigna Dental Pays As Primary Plan

When you receive care from a Network Specialty Dentist, Cigna Dental pays the Network Specialty Dentist a contracted fee amount less your copayment for the Covered Service. When we are primary, we will pay the full benefit allowed as if you had no other coverage.

C. How Cigna Dental Pays As Secondary Plan

- If your primary plan pays on the basis of UCR, Cigna Dental will pay the difference between the provider's billed charges and the benefits paid by the primary plan up to the amount Cigna Dental would have paid if primary. Cigna Dental's payment will first be applied toward satisfaction of your copayment of your primary plan. You will not be liable for any billed charges in excess of the sum of the benefits paid by your primary plan, Cigna Dental as your secondary plan and the copayment you paid under either the primary or secondary plan. When Cigna Dental pays as secondary, you will never be responsible for paying more than your copayment for the Covered Service.
- When both your primary plan and Cigna Dental pay network providers on the basis of a contractual fee schedule and the provider is a network provider of both plans, the allowable expense will be considered to be the contractual fee of your primary plan. Your primary plan will pay the benefit it would have paid regardless of any other coverage you may have. Cigna Dental will pay the copayment for the Covered Service for which you are liable up to the amount Cigna Dental would have paid if primary and provided that the total amount received by the provider from the primary plan, Cigna Dental and you does not exceed the contractual fee of the primary plan. You will not be responsible for an amount more than your copayment.
- When your primary plan pays network providers on a basis of capitation or a contractual fee schedule or pays a benefit on the basis of UCR, and Cigna Dental pays network providers on the basis of capitation and a service or supply is provided by a network provider of Cigna Dental, we will not be obligated to pay to the network provider any amount other than the capitation payment required under the contract between Cigna

Dental and the network provider and we shall not be liable for any deductible, coinsurance or copayment imposed by your primary plan. You will not be responsible for the payment of any amount for eligible services.

- We will pay only for health care expenses that are covered by Cigna Dental.
- We will pay only if you have followed all of our procedural requirements, including: care is obtained from or arranged by your primary care dentist; coverage in effect when procedures begin; procedures begin within 90 days of referral.

XIII. Disenrollment From the Dental Plan – Termination of Benefits

A. Time Frames For Disenrollment/Termination

Except as otherwise provided in the sections titled “Extension/Continuation of Benefits” or in your Group Contract, disenrollment from the Dental Plan and termination of benefits will occur on the last day of the month:

- in which Premiums are not remitted to Cigna Dental;
- in which eligibility requirements are no longer met;
- after 30 days notice from Cigna Dental due to permanent breakdown of the dentist-patient relationship as determined by Cigna Dental, after at least two opportunities to transfer to another Dental Office;
- after 30 days notice from Cigna Dental due to fraud or misuse of dental services and/or Dental Offices;
- after 60 days notice by Cigna Dental, due to continued lack of a Dental Office in your Service Area;
- after voluntary disenrollment.

B. Effect on Dependents

When one of your Dependents is disenrolled, you and your other Dependents may continue to be enrolled. When you are disenrolled, your Dependents will be disenrolled as well.

XIV. Extension of Benefits

Coverage for completion of a dental procedure which was started before your disenrollment from the Dental Plan will be extended for 90 days after disenrollment unless disenrollment was due to nonpayment of Premiums.

XV. Continuation of Benefits (COBRA)

For Groups with 20 or more employees, federal law requires the employer to offer continuation of benefits coverage for a specified period of time after termination of employment or reduction of work hours, for any reason other than gross misconduct. You will be responsible for sending payment of the required Premiums to the Group. Additional information is available through your Benefits Representative.

XVI. Conversion Coverage

If you are no longer eligible for coverage under your Group’s Dental Plan, you and your enrolled Dependents may continue your dental coverage by enrolling in the Cigna Dental conversion plan. You must enroll within three months after becoming ineligible for your Group’s Dental Plan. Premium payments and coverage will be retroactive to the date coverage under your Group’s Dental Plan ended. You and your enrolled Dependents are eligible for conversion coverage unless benefits were discontinued due to:

- permanent breakdown of the dentist-patient relationship;
- fraud or misuse of dental services and/or Dental Offices;
- nonpayment of Premiums by the Subscriber;
- selection of alternate dental coverage by your Group; or
- lack of network/Service Area.

Benefits and rates for Cigna Dental conversion coverage and any succeeding renewals will be based on the Covered Services listed in the then-current standard conversion plan and may not be the same as those for your Group’s Dental Plan. Please call the Cigna Dental Conversion Department at 1-800-Cigna24 to obtain current rates and make arrangements for continuing coverage.

XVII. Confidentiality/Privacy

I. Definitions

Capitalized terms, unless otherwise defined, have the meanings listed below.

Adverse Determination - a decision by Cigna Dental not to approve payment for certain limited specialty care procedures on the basis of necessity or appropriateness of care. To be considered clinically necessary, the treatment or service must be reasonable and appropriate and meet the following requirements:

- A. be consistent with the symptoms, diagnosis or treatment of the condition present;
- B. conform to commonly accepted standards throughout the dental field;
- C. not be used primarily for the convenience of the customer or provider of care; and
- D. not exceed the scope, duration, or intensity of that level of care needed to provide safe and appropriate treatment.

Requests for payment approvals that are declined by Cigna Dental based upon the above criteria will be the responsibility of the customer at the dentist's Usual Fees. A licensed dentist will make any such denial.

Cigna Dental - the Cigna Dental Health organization that provides dental benefits in your state as listed on the face page of this booklet.

Contract Fees - the fees contained in the Network Dentist agreement with Cigna Dental.

Covered Services - the dental procedures listed on your Patient Charge Schedule.

For a Dependent child 26 years of age or older who is a full-time student at an educational institution, coverage will be provided for an entire academic term during which the child begins as a full-time student and remains enrolled, regardless of whether the number of hours of instruction for which the child is enrolled is reduced to a level that changes the child's academic status to less than that of a full-time student.

For a child who falls into category (b) or (c) above, you will need to furnish Cigna Dental evidence of the child's reliance upon you, in the form requested, within 31 days after the Dependent reaches the age of 19 and once a year thereafter for as long as the child is claimed as a Dependent under the Plan.

A newly acquired dependent is a Dependent child who is adopted, born or otherwise becomes your Dependent after you become covered under the Plan. A child born of a Dependent child of a Subscriber shall also be considered a Subscriber's Dependent so long as such Dependent child remains eligible for benefits. II. Introduction To Your Cigna Dental Plan

Welcome to the Cigna Dental Plan. We encourage you to use your dental benefits. Please note that enrollment in the Dental Plan allows the release of patient records to Cigna Dental or its designee for health plan operation purposes.

III. Eligibility/When Coverage Begins

To enroll in the Dental Plan, you and your Dependents must be able to seek treatment for Covered Services within a Cigna Dental Service Area. Other eligibility requirements are determined by your Group.

If you enrolled in the Dental Plan before the effective date of your Group Contract, you will be covered on the first day the Group Contract is effective. If you enrolled in the Dental Plan after the effective date of the Group Contract, you will be covered on the first day of the month following processing of your enrollment (unless effective dates other than the first day of the month are provided for in your Group Contract).

Dependents may be enrolled in the Dental Plan at the time you enroll, during an open enrollment, or within 31 days of becoming eligible due to a life status change such as marriage, birth, adoption, placement, or court or administrative order. You may drop coverage for your Dependents only during the open enrollment periods for your Group, unless there is a change in status such as divorce. Cigna Dental may require evidence of good dental health at your expense if you or your Dependents enroll after the first period of eligibility (except during open enrollment) or after disenrollment because of nonpayment of Premiums.

A Dependent child may be enrolled within 60 days of a court order.

If you have family coverage, a newly born child of a Dependent child is automatically covered during the first 31 days of life. If you wish to continue coverage beyond the first 31 days, the newborn needs to be enrolled in the Dental Plan and you need to begin to pay Premiums/Prepayment Fees during that period.

Under the Family and Medical Leave Act of 1993, you may be eligible to continue coverage during certain leaves of absence

from work. During such leaves, you will be responsible for paying your Group the portion of the Premiums, if any, which you would have paid if you had not taken the leave. Additional information is available through your Benefits Representative.

IV. Your Cigna Dental Coverage

The information below outlines your coverage and will help you to better understand your Dental Plan. Included is information about which services are covered, which are not, and how much dental services will cost you. A copy of the Group Contract will be furnished to you upon your request.

A. Customer Service

If you have any questions or concerns about the Dental Plan, Customer Service Representatives are just a toll-free phone call away. They can explain your benefits or help with matters regarding your Dental Office or Dental Plan. For assistance with transfers, specialty referrals, eligibility, second opinions, emergencies, Covered Services, plan benefits, ID cards, location of Dental Offices, conversion coverage or other matters, call Customer Service from any location at 1.800.Cigna24. The hearing impaired may contact the state TTY toll-free relay service number listed in their local telephone directory.

B. Premiums

Your Group sends a monthly fee to Cigna Dental for customers participating in the Dental Plan. The amount and term of this fee is set forth in your Group Contract. You may contact your Benefits Representative for information regarding any part of this fee to be withheld from your salary or to be paid by you to the Group.

C. Other Charges – Patient Charges

Network General Dentists are typically reimbursed by Cigna Dental through fixed monthly payments and supplemental payments for certain procedures. No bonuses or financial incentives are used as an inducement to limit services. Network Dentists are also compensated by the fees which you pay, as set out in your Patient Charge Schedule.

Your Patient Charge Schedule lists the dental procedures covered under your Dental Plan. Some dental procedures are covered at no charge to you. For other Covered Services, the Patient Charge Schedule lists the fees you must pay when you visit your Dental Office. There are no deductibles and no annual dollar limits for services covered by your Dental Plan.

Your Network General Dentist should tell you about Patient Charges for Covered Services, the amount you must pay for non-Covered Services and the Dental

Office's payment policies. Timely payment is important. It is possible that the Dental Office may add late charges to overdue balances.

Your Patient Charge Schedule is subject to annual change in accordance with your Group Contract. Cigna Dental will give written notice to your Group of any change in Patient Charges at least 60 days prior to such change. You will be responsible for the Patient Charges listed on the Patient Charge Schedule that is in effect on the date a procedure is started.

D. Choice of Dentist

You and your Dependents should have selected a Dental Office when you enrolled in the Dental Plan. If you did not, you must advise Cigna Dental of your Dental Office selection prior to receiving treatment. The benefits of the Dental Plan are available only at your Dental Office, except in the case of an emergency or when Cigna Dental otherwise approves payment for out-of-network benefits.

You may select a network Pediatric Dentist as the Network General Dentist for your Dependent child under age 13 by calling Customer Service at 1.800.Cigna24 to get a list of network Pediatric Dentists in your Service Area or if your Network General Dentist sends your child under the age of 13 to a network Pediatric Dentist, the network Pediatric Dentist's office will have primary responsibility for your child's care. For children 13 years and older, your Network General Dentist will provide care. If your child continues to visit the Pediatric Dentist upon the age of 13, you will be fully responsible for the Pediatric Dentist's Usual Fees. Exceptions for medical reasons may be considered on a case-by-case basis.

If for any reason your selected Dental Office cannot provide your dental care, or if your Network General Dentist terminates from the network, Cigna Dental will let you know and will arrange a transfer to another Dental Office. Refer to the Section titled "Office Transfers" if you wish to change your Dental Office.

To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1.800.Cigna24. It is available 24 hours a day, 7 days per week. If you would like to have the list faxed to you, enter your fax number, including your area code. You may always obtain a current Dental Office Directory by calling Customer Service.

E. Your Payment Responsibility (General Care)

For Covered Services at your Dental Office, you will be charged the fees listed on your Patient Charge Schedule. For services listed on your Patient Charge Schedule at any other dental office, you may be charged Usual Fees. For non-Covered Services, you are responsible for paying Usual Fees.

If, on a temporary basis, there is no Network General Dentist in your Service Area, Cigna Dental will let you know and you may obtain Covered Services from a non-Network Dentist. You will pay the non-Network Dentist the applicable Patient Charge for Covered Services. Cigna Dental will pay the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge.

See Section IX, *Specialty Referrals*, regarding payment responsibility for specialty care.

All contracts between Cigna Dental and Network Dentists state that you will not be liable to the Network Dentist for any sums owed to the Network Dentist by Cigna Dental.

F. Emergency Dental Care - Reimbursement

An emergency is a dental condition of recent onset and severity which would lead a prudent layperson possessing an average knowledge of dentistry to believe the condition needs immediate dental procedures necessary to control excessive bleeding, relieve severe pain, or eliminate acute infection. You should contact your Network General Dentist if you have an emergency in your Service Area.

1. Emergency Care Away From Home

If you have an emergency while you are out of your Service Area or you are unable to contact your Network General Dentist, you may receive emergency Covered Services as defined above from any general dentist. Routine restorative procedures or definitive treatment (e.g. root canal) are not considered emergency care. You should return to your Network General Dentist for these procedures. For emergency Covered Services, you will be responsible for the Patient Charges listed on your Patient Charge Schedule. Cigna Dental will reimburse you the difference, if any, between the dentist's Usual Fee for emergency Covered Services and your Patient Charge, up to a total of \$50 per incident. To receive reimbursement, send appropriate reports and x-rays to Cigna Dental at the address listed for your state on the front of this booklet.

2. Emergency Care After Hours

There is a Patient Charge listed on your Patient Charge Schedule for emergency care rendered after regularly scheduled office hours. This charge will be in addition to other applicable Patient Charges.

G. Limitations on Covered Services

Listed below are limitations on services when covered by your Dental Plan:

- **Frequency** - The frequency of certain Covered Services, like cleanings, is limited. Your Patient Charge Schedule lists any limitations on frequency.
- **Pediatric Dentistry** - Coverage for treatment by a Pediatric Dentist ends on your child's 13th birthday. Effective on your child's 13th birthday, dental services must be obtained from a Network General Dentist however, exceptions for medical reasons may be considered on an individual basis.

- **Prosthesis Over Implant** - When covered on the Patient Charge Schedule, a prosthetic device, supported by an implant or implant abutment is considered a separate distinct service(s) from surgical placement of an implant. Replacement of any type of prosthesis with a prosthesis supported by an implant or implant abutment is only covered if the existing prosthesis is at least 5 calendar years old, is not serviceable and cannot be repaired.

General Limitations Dental Benefits

V. Appointments

To make an appointment with your Network Dentist, call the Dental Office that you have selected. When you call, your Dental Office will ask for your identification number and will check your eligibility.

VI. Broken Appointments

The time your Network Dentist schedules for your appointment is valuable to you and the dentist. Broken appointments make it difficult for your Dental Office to schedule time with other patients.

If you or your enrolled Dependent breaks an appointment with less than 24 hours notice to the Dental Office, you may be charged a broken appointment fee.

VII. Office Transfers

If you decide to change Dental Offices, we can arrange a transfer. You should complete any dental procedure in progress before transferring to another Dental Office. To arrange a transfer, call Customer Service at 1.800.Cigna24. To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1.800.Cigna24.

Your transfer request may take up to 5 days to process. Transfers will be effective the first day of the month after the processing of your request. Unless you have an emergency, you will be unable to schedule an appointment at the new Dental Office until your transfer becomes effective. You can check the status of your request by visiting myCigna.com or by calling us at 1.800.Cigna24.

There is no charge to you for the transfer; however, all Patient Charges which you owe to your current Dental Office must be paid before the transfer can be processed.

VIII. Specialty Care

Your Network General Dentist at your Dental Office has primary responsibility for your professional dental care. Because you may need specialty care, the Cigna Dental Network includes the following types of specialty dentists:

- Pediatric Dentists – children’s dentistry.
- Endodontists – root canal treatment.
- Periodontists – treatment of gums and bone.
- Oral Surgeons – complex extractions and other surgical procedures.
- Orthodontists – tooth movement.

There is no coverage for referrals to prosthodontists or other specialty dentists not listed above.

When specialty care is needed, your Network General Dentist must start the referral process. X-rays taken by your Network General Dentist should be sent to the Network Specialty Dentist.

See Section IV.D, *Choice of Dentist*, regarding treatment by a Pediatric Dentist.

IX. Specialty Referrals

A. In General

Preauthorization is not required for coverage of services by a Network Specialty Dentist.

When Cigna Dental approves payment to the Network Specialty Dentist, the fees or no-charge services listed on the Patient Charge Schedule in effect on the date each procedure is started will apply, except as set out in Section IX.B., Orthodontics. Treatment by the Network Specialty Dentist must begin within 90 days from the date of Cigna Dental's approval. If you are unable to obtain treatment within the 90 day period, please call Customer Service to request an extension. Your coverage must be in effect when each procedure begins.

For non-Covered Services or if Cigna Dental does not approve payment to the Network Specialty Dentist for Covered Services, including Adverse Determinations, you must pay the Network Specialty Dentist's Usual Fee. If you have a question or concern regarding an approval or a denial, contact Customer Service.

After the Network Specialty Dentist has completed treatment, you should return to your Network General Dentist for cleanings, regular checkups and other treatment. If you visit a Network Specialty Dentist without a referral or if you continue to see a Network Specialty Dentist after you have completed specialty care, it will be your responsibility to pay for treatment at the dentist's Usual Fees.

When your Network General Dentist determines that you need specialty care and a Network Specialty Dentist is not available, as determined by Cigna Dental, Cigna Dental will approve a referral to a non-Network Specialty Dentist. The referral procedures applicable to specialty care will apply. In such cases, you will be responsible for the applicable Patient Charge for Covered Services. Cigna Dental will reimburse the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge. For non-Covered Services or services not approved for payment, including Adverse Determinations, you must pay the dentist's Usual Fee.

B. Orthodontics (This section is applicable only when Orthodontics is listed on your Patient Charge Schedule.)

1. **Definitions** – If your Patient Charge Schedule indicates coverage for orthodontic treatment, the following definitions apply:
 - a. **Orthodontic Treatment Plan and Records** – the preparation of orthodontic records and a treatment plan by the Orthodontist.
 - b. **Interceptive Orthodontic Treatment** – treatment prior to full eruption of the permanent teeth, frequently a first phase preceding comprehensive treatment.
 - c. **Comprehensive Orthodontic Treatment** – treatment after the eruption of most permanent teeth, generally the final phase of treatment before retention.
 - d. **Retention (Post Treatment Stabilization)** – the period following orthodontic treatment during which you may wear an appliance to maintain and stabilize the new position of the teeth.

2. Patient Charges

The Patient Charge for your entire orthodontic case, including retention, will be based upon the Patient Charge Schedule in effect on the date of your visit for Treatment Plan and Records. However, if a. banding/appliance insertion does not occur within 90 days of such visit, b. your treatment plan changes, or c. there is an interruption in your coverage or treatment, a later change in the Patient Charge Schedule may apply.

The Patient Charge for Orthodontic Treatment is based upon 24 months of interceptive and/or comprehensive treatment. If you require more than 24 months of treatment in total, you will be charged an additional amount for each additional month of treatment, based upon the Orthodontist's Contract Fee. If you require less than 24 months of treatment, your Patient Charge will be reduced on a pro-rated basis.

3. Additional Charges

You will be responsible for the Orthodontist's Usual Fees for the following non-Covered Services:

- a. incremental costs associated with optional/elective materials, including but not limited to ceramic, clear, lingual brackets, or other cosmetic appliances;
- b. orthognathic surgery and associated incremental costs;
- c. appliances to guide minor tooth movement;

- d. appliances to correct harmful habits; and
- e. services which are not typically included in Orthodontic Treatment. These services will be identified on a case-by-case basis.

4. Orthodontics In Progress

If Orthodontic Treatment is in progress for you or your Dependent at the time you enroll, the fee listed on the Patient Charge Schedule is not applicable. Please call Customer Service at 1.800.Cigna24 to find out if you are entitled to any benefit under the Dental Plan.

X. Complex Rehabilitation/Multiple Crown Units

Complex rehabilitation is extensive dental restoration involving 6 or more “units” of crown, bridge and/or implant supported prosthesis (including crowns and bridges) in the same treatment plan. Using full crowns (caps), fixed bridges and/or implant supported prosthesis (including crowns and bridges) which are cemented in place, your Network General Dentist will rebuild natural teeth, fill in spaces where teeth are missing and establish conditions which allow each tooth to function in harmony with the occlusion (bite). The extensive procedures involved in complex rehabilitation require an extraordinary amount of time, effort, skill and laboratory collaboration for a successful outcome.

Complex rehabilitation will be covered when performed by your Network General Dentist after consultation with you about diagnosis, treatment plan and charges. Each tooth or tooth replacement included in the treatment plan is referred to as a “unit” on your Patient Charge Schedule. The crown, bridge and/or implant supported prosthesis (including crowns and bridges) charges on your Patient Charge Schedule are for each unit of crown or bridge. You pay the per unit charge for each unit of crown, bridge and/or implant supported prosthesis (including crowns and bridges) PLUS an additional charge for each unit when 6 or more units are prescribed in your Network General Dentist’s treatment plan.

Note: Complex rehabilitation only applies for implant supported prosthesis, when implant supported prosthesis are specifically listed on your Patient Charge Schedule.

XI. What To Do If There Is A Problem

For the purposes of this section, any reference to “you” or “your” also refers to a representative or provider designated by you to act on your behalf.

Most problems can be resolved between you and your dentist. However, we want you to be completely satisfied with the Dental Plan. That is why we have established a process for

addressing your concerns and complaints. The complaint procedure is voluntary and will be used only upon your request.

A. Start with Customer Service

We are here to listen and to help. If you have a concern about your Dental Office or the Dental Plan, you can call 1.800.Cigna24 toll-free and explain your concern to one of our Customer Service Representatives. You can also express that concern in writing to Cigna Dental, P.O. Box 188047, Chattanooga, TN 37422-8047. We will do our best to resolve the matter during your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible, usually by the end of the next business day, but in any case within 30 days.

If you are not satisfied with the results of a coverage decision, you may start the appeals procedure.

B. Appeals Procedure

Cigna Dental has a two-step appeals procedure for coverage decisions. To initiate an appeal, you must submit a request in writing to Cigna Dental, P.O. Box 188047, Chattanooga, TN 37422-8047, within 1 year from the date of the initial Cigna Dental decision. You should state the reason you feel your appeal should be approved and include any information to support your appeal. If you are unable or choose not to write, you may ask Customer Service to register your appeal by calling 1.800.Cigna24.

1. Level-One Appeals

Your level-one appeal will be reviewed and the decision made by someone not involved in the initial review. Appeals involving dental necessity or clinical appropriateness will be reviewed by a dental professional.

If your appeal concerns a denied pre-authorization, we will respond with a decision within 15 calendar days after we receive your appeal. For appeals concerning all other coverage issues, we will respond with a decision within 30 calendar days after we receive your appeal. If we need more information to make your level-one appeal decision, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating dentist, will decide if an expedited review is necessary. When a review is

expedited, Cigna Dental will respond orally with a decision within 72 hours, followed up in writing.

If you are not satisfied with our level-one appeal decision, you may request a level-two appeal.

2. Level-Two Appeals

To initiate a level-two appeal, follow the same process required for a level-one appeal. Your level-two appeal will be reviewed and a decision made by someone not involved in the level-one appeal. For appeals involving dental necessity or clinical appropriateness, the decision will be made by a dentist. If specialty care is in dispute, the appeal will be conducted by a dentist in the same or similar specialty as the care under review.

The review will be completed within 30 calendar days. If we need more information to complete the appeal, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review. The decision will include the specific contractual or clinical reasons for the decision, as applicable.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, the Dental Plan will respond orally with a decision within 72 hours, followed up in writing.

3. Independent Review Procedure

The independent review procedure is a voluntary program arranged by the Dental Plan and is not available in all areas.

4. Appeals to the State

You have the right to contact your State's Department of Insurance and/or Department of Health for assistance at any time.

You always have the right to file a complaint with or seek assistance from the Pennsylvania Insurance Department, 1326 Strawberry Square, Harrisburg, Pennsylvania, 17120-0701, (717) 787-2317.

Cigna Dental will not cancel or refuse to renew your coverage because you or your Dependent has filed a complaint or an appeal involving a decision made by Cigna Dental. You have the right to file suit in a court of law for any claim involving the professional treatment performed by a dentist.

XII. Dual Coverage

You and your Dependents may not be covered twice under this Dental Plan. If you and your spouse have enrolled each other or the same Dependents twice, please contact your Benefit Administrator.

If you or your Dependents have dental coverage through your spouse's employer or other sources such as an HMO or similar dental plan, applicable coordination of benefit rules will determine which coverage is primary or secondary. In most cases, the plan covering you as an employee is primary for you, and the plan covering your spouse as an employee is primary for him or her. Your children are generally covered as primary by the plan of the parent whose birthday occurs earlier in the year. Dual coverage should result in lowering or eliminating your out-of-pocket expenses. It should not result in reimbursement for more than 100% of your expenses.

Coordination of benefit rules are attached to the Group Contract and may be reviewed by contacting your Benefit Administrator. Cigna Dental coordinates benefits only for specialty care services.

All benefits provided under the Dental Plan shall be in excess of and not in duplication of first party medical benefits payable under the Pennsylvania Motor Vehicle Financial Responsibility Law, 75 Pa. C.S.A. § 1711, et. seq.

XIII. Disenrollment From the Dental Plan – Termination of Benefits

A. Time Frames for Disenrollment/Termination

Except as otherwise provided in the sections titled "Extension/Continuation of Benefits" or in your Group Contract, disenrollment from the Dental Plan and termination of benefits will occur on the last day of the month:

1. in which Premiums are not remitted to Cigna Dental.
2. in which eligibility requirements are no longer met.
3. after 30 days notice from Cigna Dental due to permanent breakdown of the dentist-patient relationship as determined by Cigna Dental, after at least two opportunities to transfer to another Dental Office.
4. after 30 days notice from Cigna Dental due to fraud or misuse of dental services and/or Dental Offices.
5. after 60 days notice by Cigna Dental, due to continued lack of a Dental Office in your Service Area.
6. after voluntary disenrollment.

B. Effect on Dependents

When one of your Dependents is disenrolled, you and your other Dependents may continue to be enrolled. When you are disenrolled, your Dependents will be disenrolled as well.

XIV. Extension of Benefits

Coverage for completion of a dental procedure (other than orthodontics) which was started before your disenrollment from the Dental Plan will be extended for 90 days after disenrollment unless disenrollment was due to nonpayment of Premiums.

Coverage for orthodontic treatment which was started before disenrollment from the Dental Plan will be extended to the end of the quarter or for 60 days after disenrollment, whichever is later, unless disenrollment was due to nonpayment of Premiums.

XV. Continuation of Benefits (COBRA)

For Groups with 20 or more employees, federal law requires the employer to offer continuation of benefits coverage for a specified period of time after termination of employment or reduction of work hours, for any reason other than gross misconduct. You will be responsible for sending payment of the required Premiums to the Group. Additional information is available through your Benefits Representative.

XVI. Conversion Coverage

If you are no longer eligible for coverage under your Group's Dental Plan, you and your enrolled Dependents may continue your dental coverage by enrolling in the Cigna Dental conversion plan. You must enroll within three (3) months after becoming ineligible for your Group's Dental Plan. Premium payments and coverage will be retroactive to the date coverage under your Group's Dental Plan ended. You and your enrolled Dependents are eligible for conversion coverage unless benefits were discontinued due to:

- Permanent breakdown of the dentist-patient relationship,
- Fraud or misuse of dental services and/or Dental Offices,
- Nonpayment of Premiums by the Subscriber,
- Selection of alternate dental coverage by your Group, or
- Lack of network/Service Area.

Benefits and rates for Cigna Dental conversion coverage and any succeeding renewals will be based on the Covered

Services listed in the then-current standard conversion plan and may not be the same as those for your Group's Dental Plan. Please call the Cigna Dental Conversion Department at 1.800.Cigna24 to obtain current rates and make arrangements for continuing coverage.

XVII. Confidentiality/Privacy

Cigna Dental is committed to maintaining the confidentiality of your personal and sensitive information. Information about Cigna Dental's confidentiality policies and procedures is made available to you during the enrollment process and/or as part of your customer plan materials. You may obtain additional information about Cigna Dental's confidentiality policies and procedures by calling Customer Service at 1.800.Cigna24, or via the Internet at myCigna.com.

D. Choice of Dentist

You and your Dependents should have selected a Dental Office when you enrolled in the Dental Plan. If you did not, you must advise Cigna Dental of your Dental Office selection prior to receiving treatment. The benefits of the Dental Plan are available only at your Dental Office, except in the case of an emergency or when Cigna Dental otherwise approves payment for out-of-network benefits.

You may select a network Pediatric Dentist as the Network General Dentist for your dependent child under age 13 by calling Customer Service at 1.800.Cigna24 to get a list of network Pediatric Dentists in your Service Area or, if your Network General Dentist sends your child under age 13 to a network Pediatric Dentist, the network Pediatric Dentist's office will have primary responsibility for your child's care. For children 13 years and older, your Network General Dentist will provide care. If your child continues to visit the Pediatric Dentist upon the age of 13, you will be fully responsible for the Pediatric Dentist's Usual Fees. Exceptions for medical reasons may be considered on a case-by-case basis.

If for any reason your selected Dental Office cannot provide your dental care, or if your Network General Dentist terminates from the network, Cigna Dental will let you know and will arrange a transfer to another Dental Office. Refer to the Section titled "Office Transfers" if you wish to change your Dental Office.

To obtain a list of Dental Offices near you, visit our website at my.cigna.com, or call the Dental Office Locator at 1.800.Cigna24. It is available 24 hours a day, 7 days per week. If you would like to have the list faxed to you, enter your fax number, including your area code. You may always obtain a current Dental Office Directory by calling Customer Service.

F. Emergency Dental Care - Reimbursement

1. Emergency Care Away From Home

If you have an emergency while you are out of your Service Area or you are unable to contact your Network General Dentist, you may receive emergency Covered Services as defined above from any general dentist. Routine restorative procedures or definitive treatment (e.g. root canal) are not considered emergency care. You should return to your Network General Dentist for these procedures. For emergency Covered Services, you will be responsible for the Patient Charges listed on your Patient Charge Schedule. Cigna Dental will reimburse you the difference, if any, between the dentist's Usual Fee for emergency Covered Services and your Patient Charge, up to a total of \$50 per incident. To receive reimbursement, send appropriate reports and x-rays to Cigna Dental at the address listed for your state on the front of this booklet.

G. Limitations On Covered Services

Listed below are limitations on services when covered by your Dental Plan:

- **Pediatric Dentistry** - Coverage for treatment by a Pediatric Dentist ends on your child's 13th birthday. Effective on your child's 13th birthday, dental services must be obtained from a Network General Dentist however, exceptions for medical reasons may be considered on an individual basis.

VII. Office Transfers

If you decide to change Dental Offices, we can arrange a transfer. You should complete any dental procedure in progress before transferring to another Dental Office. To arrange a transfer, call Customer Service at 1.800.Cigna24. To obtain a list of Dental Offices near you, visit our website at my.cigna.com, or call the Dental Office Locator at 1.800.Cigna24.

Your transfer request may take up to 5 days to process. Transfers will be effective the first day of the month after the processing of your request. Unless you have an emergency,

you will be unable to schedule an appointment at the new Dental Office until your transfer becomes effective. You can check the status of your request by visiting myCigna.com, or by calling us at 1.800.Cigna24.

There is no charge to you for the transfer; however, all Patient Charges which you owe to your current Dental Office must be paid before the transfer can be processed.

IX. SPECIALTY REFERRALS

A. IN GENERAL

Preauthorization is not required for coverage of services by a Network Specialty Dentist.

When Cigna Dental approves payment to the Network Specialty Dentist, the fees or no-charge services listed on the Patient Charge Schedule in effect on the date each procedure is started will apply, except as set out in Section IX.B., Orthodontics. Treatment by the Network Specialty Dentist must begin within 90 days from the date of Cigna Dental's approval. If you are unable to obtain treatment within the 90 day period, please call Customer Service to request an extension. Your coverage must be in effect when each procedure begins.

For non-Covered Services or if Cigna Dental does not approve payment to the Network Specialty Dentist for Covered Services, including Adverse Determinations, you must pay the Network Specialty Dentist's Usual Fee. If you have a question or concern regarding an approval or a denial, contact Customer Service.

After the Network Specialty Dentist has completed treatment, you should return to your Network General Dentist for cleanings, regular checkups and other treatment. If you visit a Network Specialty Dentist without a referral or if you continue to see a Network Specialty Dentist after you have completed specialty care, it will be your responsibility to pay for treatment at the dentist's Usual Fees.

When your Network General Dentist determines that you need specialty care and a Network Specialty Dentist is not available, as determined by Cigna Dental, Cigna Dental will approve a referral to a non-Network Specialty Dentist. The referral procedures applicable to specialty care will apply. In such cases, you will be responsible for the applicable Patient Charge for Covered Services. Cigna Dental will reimburse the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge. For non-Covered Services or services not approved for payment, including Adverse Determinations, you must pay the dentist's Usual Fee.

Qualified Medical Child Support Order (QMCSO)

A. Eligibility for Coverage Under a QMCSO

If a Qualified Medical Child Support Order (QMCSO) is issued for your child, that child will be eligible for coverage as required by the order and you will not be considered a Late Entrant for Dependent Insurance.

You must notify your Employer and elect coverage for that child and yourself, if you are not already enrolled, within 31 days of the QMCSO being issued.

B. Qualified Medical Child Support Order Defined

A Qualified Medical Child Support Order is a judgment, decree or order (including approval of a settlement agreement) or administrative notice, which is issued pursuant to a state domestic relations law (including a community property law), or to an administrative process, which provides for child support or provides for health benefit coverage to such child and relates to benefits under the group health plan, and satisfies all of the following:

1. the order recognizes or creates a child's right to receive group health benefits for which a participant or beneficiary is eligible;
2. the order specifies your name and last known address, and the child's name and last known address, except that the name and address of an official of a state or political subdivision may be substituted for the child's mailing address;
3. the order provides a description of the coverage to be provided, or the manner in which the type of coverage is to be determined;
4. the order states the period to which it applies; and
5. if the order is a National Medical Support Notice completed in accordance with the Child Support Performance and Incentive Act of 1998, such Notice meets the requirements above.

The QMCSO may not require the health insurance policy to provide coverage for any type or form of benefit or option not otherwise provided under the policy, except that an order may require a plan to comply with State laws regarding health care coverage.

C. Payment of Benefits

Otherwise, you will receive your taxable earnings as cash (salary).

A. Coverage Elections

Per Section 125 regulations, you are generally allowed to enroll for or change coverage only before each annual benefit period. However, exceptions are allowed if your Employer agrees and you enroll for or change coverage within 30 days of the date you meet the criteria shown in the following Sections B through F.

D. Medicare or Medicaid Eligibility/Entitlement

The Employee, spouse or Dependent cancels or reduces coverage due to entitlement to Medicare or Medicaid, or enrolls or increases coverage due to loss of Medicare or Medicaid eligibility.

E. Change in Cost of Coverage

If the cost of benefits increases or decreases during a benefit period, your Employer may, in accordance with plan terms, automatically change your elective contribution.

When the change in cost is significant, you may either increase your contribution or elect less-costly coverage. When a significant overall reduction is made to the benefit option you have elected, you may elect another available benefit option. When a new benefit option is added, you may change your election to the new benefit option.

F. Changes in Coverage of Spouse or Dependent Under Another Employer's Plan

You may make a coverage election change if the plan of your spouse or Dependent: (a) incurs a change such as adding or deleting a benefit option; (b) allows election changes due to Change in Status, Court Order or Medicare or Medicaid Eligibility/Entitlement; or (c) this Plan and the other plan have different periods of coverage or open enrollment periods.

Eligibility for Coverage for Adopted Children

Any child under the age of 18 who is adopted by you, including a child who is placed with you for adoption, will be eligible for Dependent Insurance upon the date of placement with you. A child will be considered placed for adoption when you become legally obligated to support that child, totally or partially, prior to that child's adoption.

If a child placed for adoption is not adopted, all health coverage ceases when the placement ends, and will not be continued.

The provisions in the "Exception for Newborns" section of this document that describe requirements for enrollment and effective date of insurance will also apply to an adopted child or a child placed with you for adoption.

Group Plan Coverage Instead of Medicaid

FDRL75

Requirements of Medical Leave Act of 1993 (as amended) (FMLA)

Any provisions of the policy that provide for: (a) continuation of insurance during a leave of absence; and (b) reinstatement of insurance following a return to Active Service; are modified by the following provisions of the federal Family and Medical Leave Act of 1993, as amended, where applicable:

A. Continuation of Health Insurance During Leave

Your health insurance will be continued during a leave of absence if:

- that leave qualifies as a leave of absence under the Family and Medical Leave Act of 1993, as amended; and
- you are an eligible Employee under the terms of that Act.

The cost of your health insurance during such leave must be paid, whether entirely by your Employer or in part by you and your Employer.

B. Reinstatement of Canceled Insurance Following Leave

Upon your return to Active Service following a leave of absence that qualifies under the Family and Medical Leave Act of 1993, as amended, any canceled insurance (health, life or disability) will be reinstated as of the date of your return.

You will not be required to satisfy any eligibility or benefit waiting period or the requirements of any Pre-existing Condition limitation to the extent that they had been satisfied prior to the start of such leave of absence.

Your Employer will give you detailed information about the Family and Medical Leave Act of 1993, as amended.

FDRL74

Uniformed Services Employment and Re-Employment Rights Act of 1994 (USERRA)

The Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA) sets requirements for continuation of health coverage and re-employment in regard to an Employee's military leave of absence. These requirements apply to medical and dental coverage for you and your Dependents. They do not apply to any Life, Short-term or Long-term Disability or Accidental Death & Dismemberment coverage you may have.

A. Continuation of Coverage

For leaves of less than 31 days, coverage will continue as described in the Termination section regarding Leave of Absence.

For leaves of 31 days or more, you may continue coverage for yourself and your Dependents as follows:

You may continue benefits by paying the required premium to your Employer, until the earliest of the following:

- 24 months from the last day of employment with the Employer;
- the day after you fail to return to work; and
- the date the policy cancels.

Your Employer may charge you and your Dependents up to 102% of the total premium.

Following continuation of health coverage per USERRA requirements, you may convert to a plan of individual coverage according to any "Conversion Privilege" shown in your certificate.

B. Reinstatement of Benefits (applicable to all coverages)

If your coverage ends during the leave of absence because you do not elect USERRA or an available conversion plan at the expiration of USERRA and you are reemployed by your current Employer, coverage for you and your Dependents may be reinstated if (a) you gave your Employer advance written or verbal notice of your military service leave, and (b) the duration of all military leaves while you are employed with your current Employer does not exceed 5 years.

You and your Dependents will be subject to only the balance of a Pre-Existing Condition Limitation (PCL) or waiting period that was not yet satisfied before the leave began. However, if an Injury or Sickness occurs or is aggravated during the military leave, full Plan limitations will apply.

Any 63-day break in coverage rule regarding credit for time accrued toward a PCL waiting period will be waived.

If your coverage under this plan terminates as a result of your eligibility for military medical and dental coverage and your order to active duty is canceled before your active duty service commences, these reinstatement rights will continue to apply.

FDRL58

Claim Determination Procedures Under ERISA Procedures Regarding Medical Necessity Determinations

In general, health services and benefits must be Medically Necessary to be covered under the plan. The procedures for determining Medical Necessity vary, according to the type of service or benefit requested, and the type of health plan.

You or your authorized representative (typically, your health care provider) must request Medical Necessity determinations according to the procedures described below, in the

Certificate, and in your provider's network participation documents as applicable.

When services or benefits are determined to be not Medically Necessary, you or your representative will receive a written description of the adverse determination, and may appeal the determination. Appeal procedures are described in the Certificate, in your provider's network participation documents, and in the determination notices.

Postservice Medical Necessity Determinations

When you or your representative requests a Medical Necessity determination after services have been rendered, Cigna will notify you or your representative of the determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond Cigna's control Cigna will notify you or your representative within 30 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 45 days after receipt of the request.

If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed. The determination period will be suspended on the date Cigna sends such a notice of missing information, and the determination period will resume on the date you or your representative responds to the notice.

FDRL64

Postservice Claim Determinations

When you or your representative requests payment for services which have been rendered, Cigna will notify you of the claim payment determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond Cigna's control, Cigna will notify you or your representative within 30 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 45 days after receipt of the request. If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed, and you or your representative must provide the specified information within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and resume on the date you or your representative responds to the notice.

Notice of Adverse Determination

Every notice of an adverse benefit determination will be provided in writing or electronically, and will include all of the following that pertain to the determination: (1) the specific reason or reasons for the adverse determination; (2) reference to the specific plan provisions on which the determination is

based; (3) a description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary; (4) a description of the plan's review procedures and the time limits applicable, including a statement of a claimant's rights to bring a civil action under section 502(a) of ERISA following an adverse benefit determination on appeal; (5) upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your claim, and an explanation of the scientific or clinical judgment for a determination that is based on a Medical Necessity, experimental treatment or other similar exclusion or limit; and (6) in the case of a claim involving urgent care, a description of the expedited review process applicable to such claim.

COBRA Continuation Rights Under Federal Law

For You and Your Dependents

What is COBRA Continuation Coverage?

Under federal law, you and/or your Dependents must be given the opportunity to continue health insurance when there is a "qualifying event" that would result in loss of coverage under the Plan. You and/or your Dependents will be permitted to continue the same coverage under Basic Benefits which you or your Dependents were covered on the day before the qualifying event occurred, unless you move out of that plan's coverage area or the plan is no longer available. You and/or your Dependents cannot change coverage options until the next open enrollment period.

When is COBRA Continuation Available?

For you and your Dependents, COBRA continuation is available for up to 18 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your termination of employment for any reason, other than gross misconduct, or
- your reduction in work hours.

For your Dependents, COBRA continuation coverage is available for up to 36 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your death;
- your divorce or legal separation; or
- for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Who is Entitled to COBRA Continuation?

Only a “qualified beneficiary” (as defined by federal law) may elect to continue health insurance coverage. A qualified beneficiary may include the following individuals who were covered by the Plan on the day the qualifying event occurred: you, your spouse, and your Dependent children. Each qualified beneficiary has their own right to elect or decline COBRA continuation coverage even if you decline or are not eligible for COBRA continuation.

The following individuals are not qualified beneficiaries for purposes of COBRA continuation: domestic partners, same sex spouses, grandchildren (unless adopted by you), stepchildren (unless adopted by you). Although these individuals do not have an independent right to elect COBRA continuation coverage, if you elect COBRA continuation coverage for yourself, you may also cover your Dependents even if they are not considered qualified beneficiaries under COBRA. However, such individuals’ coverage will terminate when your COBRA continuation coverage terminates. The sections titled “Secondary Qualifying Events” and “Medicare Extension For Your Dependents” are not applicable to these individuals.

FDRL85

Secondary Qualifying Events

If, as a result of your termination of employment or reduction in work hours, your Dependent(s) have elected COBRA continuation coverage and one or more Dependents experience another COBRA qualifying event, the affected Dependent(s) may elect to extend their COBRA continuation coverage for an additional 18 months (7 months if the secondary event occurs within the disability extension period) for a maximum of 36 months from the initial qualifying event. The second qualifying event must occur before the end of the initial 18 months of COBRA continuation coverage or within the disability extension period discussed below. Under no circumstances will COBRA continuation coverage be available for more than 36 months from the initial qualifying event. Secondary qualifying events are: your death; your divorce or legal separation; or, for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Disability Extension

If, after electing COBRA continuation coverage due to your termination of employment or reduction in work hours, you or one of your Dependents is determined by the Social Security Administration (SSA) to be totally disabled under title II or XVI of the SSA, you and all of your Dependents who have elected COBRA continuation coverage may extend such continuation for an additional 11 months, for a maximum of 29 months from the initial qualifying event.

To qualify for the disability extension, all of the following requirements must be satisfied:

1. SSA must determine that the disability occurred prior to or within 60 days after the disabled individual elected COBRA continuation coverage; and
2. A copy of the written SSA determination must be provided to the Plan Administrator within 60 calendar days after the date the SSA determination is made AND before the end of the initial 18-month continuation period.

If the SSA later determines that the individual is no longer disabled, you must notify the Plan Administrator within 30 days after the date the final determination is made by SSA. The 11-month disability extension will terminate for all covered persons on the first day of the month that is more than 30 days after the date the SSA makes a final determination that the disabled individual is no longer disabled.

All causes for “Termination of COBRA Continuation” listed below will also apply to the period of disability extension.

Medicare Extension for Your Dependents

When the qualifying event is your termination of employment or reduction in work hours and you became enrolled in Medicare (Part A, Part B or both) within the 18 months before the qualifying event, COBRA continuation coverage for your Dependents will last for up to 36 months after the date you became enrolled in Medicare. Your COBRA continuation coverage will last for up to 18 months from the date of your termination of employment or reduction in work hours.

FDRL21

Termination of COBRA Continuation

COBRA continuation coverage will be terminated upon the occurrence of any of the following:

- the end of the COBRA continuation period of 18, 29 or 36 months, as applicable;
- failure to pay the required premium within 30 calendar days after the due date;
- cancellation of the Employer’s policy with Cigna;
- after electing COBRA continuation coverage, a qualified beneficiary enrolls in Medicare (Part A, Part B, or both);
- after electing COBRA continuation coverage, a qualified beneficiary becomes covered under another group health plan, unless the qualified beneficiary has a condition for which the new plan limits or excludes coverage under a pre-existing condition provision. In such case coverage will continue until the earliest of: (a) the end of the applicable maximum period; (b) the date the pre-existing condition

provision is no longer applicable; or (c) the occurrence of an event described in one of the first three bullets above; or

- any reason the Plan would terminate coverage of a participant or beneficiary who is not receiving continuation coverage (e.g., fraud).

FDRL22

V1

Employer's Notification Requirements

Your Employer is required to provide you and/or your Dependents with the following notices:

- An initial notification of COBRA continuation rights must be provided within 90 days after your (or your spouse's) coverage under the Plan begins (or the Plan first becomes subject to COBRA continuation requirements, if later). If you and/or your Dependents experience a qualifying event before the end of that 90-day period, the initial notice must be provided within the time frame required for the COBRA continuation coverage election notice as explained below.
- A COBRA continuation coverage election notice must be provided to you and/or your Dependents within the following timeframes:
 - (a) if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the loss of coverage, 44 days after loss of coverage under the Plan;
 - (b) if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the occurrence of a qualifying event, 44 days after the qualifying event occurs; or
 - (c) in the case of a multi-employer plan, no later than 14 days after the end of the period in which Employers must provide notice of a qualifying event to the Plan Administrator.

How to Elect COBRA Continuation Coverage

The COBRA coverage election notice will list the individuals who are eligible for COBRA continuation coverage and inform you of the applicable premium. The notice will also include instructions for electing COBRA continuation coverage. You must notify the Plan Administrator of your election no later than the due date stated on the COBRA election notice. If a written election notice is required, it must be post-marked no later than the due date stated on the COBRA election notice. If you do not make proper notification by the due date shown on the notice, you and your Dependents will lose the right to elect COBRA continuation coverage. If you reject COBRA continuation coverage before

the due date, you may change your mind as long as you furnish a completed election form before the due date.

Each qualified beneficiary has an independent right to elect COBRA continuation coverage. Continuation coverage may be elected for only one, several, or for all Dependents who are qualified beneficiaries. Parents may elect to continue coverage on behalf of their Dependent children. You or your spouse may elect continuation coverage on behalf of all the qualified beneficiaries. You are not required to elect COBRA continuation coverage in order for your Dependents to elect COBRA continuation.

FDRL23

How Much Does COBRA Continuation Coverage Cost?

Each qualified beneficiary may be required to pay the entire cost of continuation coverage. The amount may not exceed 102% of the cost to the group health plan (including both Employer and Employee contributions) for coverage of a similarly situated active Employee or family member. The premium during the 11-month disability extension may not exceed 150% of the cost to the group health plan (including both employer and employee contributions) for coverage of a similarly situated active Employee or family member. For example:

If the Employee alone elects COBRA continuation coverage, the Employee will be charged 102% (or 150%) of the active Employee premium. If the spouse or one Dependent child alone elects COBRA continuation coverage, they will be charged 102% (or 150%) of the active Employee premium. If more than one qualified beneficiary elects COBRA continuation coverage, they will be charged 102% (or 150%) of the applicable family premium.

When and How to Pay COBRA Premiums

First payment for COBRA continuation

If you elect COBRA continuation coverage, you do not have to send any payment with the election form. However, you must make your first payment no later than 45 calendar days after the date of your election. (This is the date the Election Notice is postmarked, if mailed.) If you do not make your first payment within that 45 days, you will lose all COBRA continuation rights under the Plan.

Subsequent payments

After you make your first payment for COBRA continuation coverage, you will be required to make subsequent payments of the required premium for each additional month of coverage. Payment is due on the first day of each month. If you make a payment on or before its due date, your coverage under the Plan will continue for that coverage period without any break.

Grace periods for subsequent payments

Although subsequent payments are due by the first day of the month, you will be given a grace period of 30 days after the first day of the coverage period to make each monthly payment. Your COBRA continuation coverage will be provided for each coverage period as long as payment for that coverage period is made before the end of the grace period for that payment. However, if your payment is received after the due date, your coverage under the Plan may be suspended during this time. Any providers who contact the Plan to confirm coverage during this time may be informed that coverage has been suspended. If payment is received before the end of the grace period, your coverage will be reinstated back to the beginning of the coverage period. This means that any claim you submit for benefits while your coverage is suspended may be denied and may have to be resubmitted once your coverage is reinstated. If you fail to make a payment before the end of the grace period for that coverage period, you will lose all rights to COBRA continuation coverage under the Plan.

FDRL24

V2

You Must Give Notice of Certain Qualifying Events

If you or your Dependent(s) experience one of the following qualifying events, you must notify the Plan Administrator within 60 calendar days after the later of the date the qualifying event occurs or the date coverage would cease as a result of the qualifying event:

- Your divorce or legal separation;
- Your child ceases to qualify as a Dependent under the Plan; or
- The occurrence of a secondary qualifying event as discussed under “Secondary Qualifying Events” above (this notice must be received prior to the end of the initial 18- or 29-month COBRA period).

(Also refer to the section titled “Disability Extension” for additional notice requirements.)

Notice must be made in writing and must include: the name of the Plan, name and address of the Employee covered under the Plan, name and address(es) of the qualified beneficiaries affected by the qualifying event; the qualifying event; the date the qualifying event occurred; and supporting documentation (e.g., divorce decree, birth certificate, disability determination, etc.).

Newly Acquired Dependents

If you acquire a new Dependent through marriage, birth, adoption or placement for adoption while your coverage is being continued, you may cover such Dependent under your

COBRA continuation coverage. However, only your newborn or adopted Dependent child is a qualified beneficiary and may continue COBRA continuation coverage for the remainder of the coverage period following your early termination of COBRA coverage or due to a secondary qualifying event. COBRA coverage for your Dependent spouse and any Dependent children who are not your children (e.g., stepchildren or grandchildren) will cease on the date your COBRA coverage ceases and they are not eligible for a secondary qualifying event.

Trade Act of 2002

The Trade Act of 2002 created a new tax credit for certain individuals who become eligible for trade adjustment assistance and for certain retired Employees who are receiving pension payments from the Pension Benefit Guaranty Corporation (PBGC) (eligible individuals). Under the new tax provisions, eligible individuals can either take a tax credit or get advance payment of 72.5% of premiums paid for qualified health insurance, including continuation coverage. If you have questions about these new tax provisions, you may call the Health Coverage Tax Credit Customer Contact Center toll-free at 1-866-628-4282. TDD/TYY callers may call toll-free at 1-866-626-4282. More information about the Trade Act is also available at www.doleta.gov/tradeact.

In addition, if you initially declined COBRA continuation coverage and, within 60 days after your loss of coverage under the Plan, you are deemed eligible by the U.S. Department of Labor or a state labor agency for trade adjustment assistance (TAA) benefits and the tax credit, you may be eligible for a special 60 day COBRA election period. The special election period begins on the first day of the month that you become TAA-eligible. If you elect COBRA coverage during this special election period, COBRA coverage will be effective on the first day of the special election period and will continue for 18 months, unless you experience one of the events discussed under “Termination of COBRA Continuation” above.

Coverage will not be retroactive to the initial loss of coverage. If you receive a determination that you are TAA-eligible, you must notify the Plan Administrator immediately.

Interaction With Other Continuation Benefits

You may be eligible for other continuation benefits under state law. Refer to the Termination section for any other continuation benefits.

Discretionary Authority

The Plan Administrator delegates to Cigna the discretionary authority to interpret and apply plan terms and to make factual determinations in connection with its review of claims under the plan. Such discretionary authority is intended to include,

but not limited to, the determination of the eligibility of persons desiring to enroll in or claim benefits under the plan, the determination of whether a person is entitled to benefits under the plan, and the computation of any and all benefit payments. The Plan Administrator also delegates to Cigna the discretionary authority to perform a full and fair review, as required by ERISA, of each claim denial which has been appealed by the claimant or his duly authorized representative.

Plan Modification, Amendment and Termination

The Employer as Plan Sponsor reserves the right to, at any time, change or terminate benefits under the Plan, to change or terminate the eligibility of classes of employees to be covered by the Plan, to amend or eliminate any other plan term or condition, and to terminate the whole plan or any part of it. The procedure by which benefits may be changed or terminated, by which the eligibility of classes of employees may be changed or terminated, or by which part or all of the Plan may be terminated, is contained in the Employer's Plan Document, which is available for inspection and copying from the Plan Administrator designated by the Employer. No consent of any participant is required to terminate, modify, amend or change the Plan.

Termination of the Plan together with termination of the insurance policy(s) which funds the Plan benefits will have no adverse effect on any benefits to be paid under the policy(s) for any covered medical expenses incurred prior to the date that policy(s) terminates. Likewise, any extension of benefits under the policy(s) due to you or your Dependent's total disability which began prior to and has continued beyond the date the policy(s) terminates will not be affected by the Plan termination. Rights to purchase limited amounts of life and medical insurance to replace part of the benefits lost because the policy(s) terminated may arise under the terms of the policy(s). A subsequent Plan termination will not affect the extension of benefits and rights under the policy(s).

Your coverage under the Plan's insurance policy(s) will end on the earliest of the following dates:

- the date you leave Active Service (or later, as explained in the Termination Section);
- the date you are no longer in an eligible class;
- if the Plan is contributory, the date you cease to contribute;
- the date the policy(s) terminates.

See your Plan Administrator to determine if any extension of benefits or rights are available to you or your Dependents under this policy(s). No extension of benefits or rights will be available solely because the Plan terminates.

Statement of Rights

As a participant in the plan you are entitled to certain rights and protections under the Employee Retirement Income

Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

FDRL83

Receive Information About Your Plan and Benefits

- examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure room of the Employee Benefits Security Administration.
- obtain, upon written request to the Plan Administrator, copies of documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each person under the Plan with a copy of this summary financial report.

Continue Group Health Plan Coverage

- continue health care coverage for yourself, your spouse or Dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your Dependents may have to pay for such coverage. Review this summary plan description and the documents governing the Plan on the rules governing your federal continuation coverage rights.
- reduction or elimination of exclusionary periods of coverage for preexisting conditions under your group health plan, if you have creditable coverage from another plan. You should be provided a certificate of creditable coverage, free of charge, from your group health plan or health insurance issuer when you lose coverage under the plan, when you become entitled to elect federal continuation coverage, when your federal continuation coverage ceases, if you request it before losing coverage, or if you request it up to 24 months after losing coverage. Without evidence of creditable coverage, you may be subject to a preexisting condition exclusion for 12 months (18 months for late enrollees) after your enrollment date in your coverage.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your

union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA. If your claim for a welfare benefit is denied or ignored you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

FDRL29

Enforce Your Rights

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court.

In addition, if you disagree with the plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
